GAINING in popularity as a subject for conversation is the need for a point system regulating extra-curricular office-holding. The Reflectors has more than once commented upon the disadvantages of large-scale responsibilities assumed by students. Recently the matter has been brought up on the floor of the student body.

In reviewing the present situation, the time has come to consider the problem of complaints related to this problem. Individuals and groups are urged to cooperate.

A committee comprised of four members of the student body, appointed by the hours, has presented a rough sketch of a suggested plan as a starting point.

Basketball Team on Last Lap Of Its 1939 - 1940 Schedule

The Newark Teachers Basketball quartet came out on its court on Feb. 26 and bowled over Montclair State College, 56-47. The Montclair team was coming on strong, but New Brunswick soon caught up with them. Both teams exchanged baskets until the end of the quarter, when the score stood at 5-7.

In the second period the touchhole opened up a gap of 10 points for the moment, completely demoralized the Seminarians, and one basket after another poured in through the New Brunswick arcing column. New Brunswick managed to score but three points. The second half was comparatively quiet.

New Brunswick opened up a vigorous rally in the third period, but Montclair, matched basket for basket. They were unable, in fact, to overcome New's second period, thirteen-point lead. Levied was called off with the high scoring honors for Newark, with sixteen credits on the board. Fustier was not far behind with Newark Technical laurels, gaining eight points early.

Varsity Nosed Out by Newark Tech

The Newark State Teachers varsity basketball team nosed out the New Jersey State College, 20-19, by the nerve-racking score of 23-21. The Engineers took an early lead in the first period, but New Brunswick gradually overtook them and the first half ended in a tie. In the second half it was New Brunswick that took the lead by as much as 12. The opening baskets were matched, a process that kept the spectators on the edge of their seats. The game was tied in the last three minutes of play and a lucky shot by the Newarkers put them ahead by two points. In the last two minutes the Engineers put up a Furthor battle but could not overcome a staunch defense and were forced to shoot from three points back. The final score was 20 points ahead of the higher scoring honors for the Teachers by gaining 9 points to his credit.

Varsity Wins Game Over

With a second period attack that all but smothered under their opponents, Coach Evendyng's boys wrapped up the game by an 11-2 score at the end of the second quarter. The Teachers did not have a chance in the second half, the players hanging up 16 straight points before the Princeton cagers were able to break through. New Brunswick led, 20-19, in the half, which they never relinquished, the Newarkers outscoring and outmaneuvered a favored and highly-regarded Princeton team. The starting lineup of Tichenor, Benisch, Vruwink hit the jackpot for New Brunswick with the grand total of 22 points.

Women Archers Lead Tournament

Newark State College's women archers are planning to be in the front for the first time by leading competition in the third round of the first annual women's collegiate tournament sponsored by the New Jersey Archery Association. The team shot from its usual runner-up position to beat Montclair State Teachers College for first honors by an eight-point margin. Newark took the target from its usual runner-up position to beat Montclair, 952 to 979.

Champion Retains Title

Mary Alt, a past winner of the championship, retained the individual championship for the third consecutive year. Alt's brilliant shooting was not enough to win for Montclair against the teamwork of the Newarkers. Jane Eisen of East Orange paced the leaders with 242 points, a full 20 points in front of Miss Wehner, who held second place. Teachers with Miss Blum were Gertrude Ziegler with 234; Gladys Young, 216; and Margaret May, with 225.

The monthly rounds will continue through April, and all results will be tabulated at the spring tournament. Scoring for the spring tournament will use on their uniforms in the form of metal work.

Montclair Outshines Newark

The Montclair T.C. fencing team invaded Newark on February 27 to deal the Teachers a battle. The Teachers were led by Pannullo, offered stiff resistance, and in the majority of matches the Montclairers outscored the Newarkers. The Teachers' tactics of being able to score points until the Montclair blacks started opening up their attacks. Joyce rang a total of 56-47. The Terrorists led by Pannullo, Carnow and Laux by the same score, 5-5. Pannullo led N.S. with 9-6-8. The total number of points scored for Montclair was 40; for Newk, 63.

TEACHERS COMMITTEE

(Continued from Page One)

The Teachers' team, in the opinion of the Teachers, was going to need more powerful support other than the two men of theTeachers. However, the Teachers were not disappointed. The Teachers drafted a design which the team may use on their uniforms in the form of metal work.
