Golden Nuggets

Wednesday February 24 was the date of Newark State's final lecture of the Second Ernest M. Townsend Memorial Lecture Series. Entitled "An Evening With Harry Golden," the address effectively stirred the audience toward a new look at integration. Author of The Carolina Israelite, Golden lived up to his reputation for a picture, "Goodbye, Mr. Chips." Although most of Mr. Golden's speech had been delivered in an acidulous manner, his final comments were delivered in a style that was forceful and blunt. The realization that one out of every three Negro babies dies and that a large per cent of Negro hospitals are not directly concern students. In order to solve integration problems.

While we appreciate all he has done, we will fight to get more, and the Student Personnel Committee; we are doubly grateful to him for explained it several times in past editorials. Repetition now would be comparable is to return us to the question of what the sight of our objectives. The REFLECTOR has campaigned for prejudice. In our case it means our interest in the welfare of the self of all conscience. Such reactions are not needed.

For devotion does not mean firm, unchallengeable stamp to mail same.

But.....

While rejoicing over the Student Personnel news, let us not lose sight of our objectives. The REFLECTOR has campaigned for students to be represented on the Student Personnel Committee. It may seem rather ludicrous that such a committee should not have had students before, but be that as it may: we are now fortunate enough to have them. By the recent demonstration at Rutgers, New Bruns-

The Party's Over

by Peter Plersbach '63

I am sure the Freshman class would be pleased with me in extending congratulations for a job well done to all who devoted their time to the annual freshman social tradition in order for Jim Rynes, Ken Meeks and Mary Lee Swail for their wonderful organizing, planning and directing the evening of fun, frolic and talent. We feel this was one of the highlights of the year for the class of '60 and the upperclassmen but we just couldn't afford an all-college social. The committee who put this function together must take the credit and the production cost approximately $250. I'm sure those in attendance felt it was well worth it.

The evening's events were as follows: 8:00-9:00 square dancing called by Belah Sames, a professional caller, in the cafeteria, you know Lou Kiwalski, Jim Rynes, for the platform and P.S. System, 9:00-4:35 in the Little Theater, Geraldine Stump and Linda Hayes performed some excellent modern dance routines. Judy Zuccarozzi really shook a mean hulla. Betty Grosulski, Richard Reische, Abby McNeely, Al Buffon and Marie Seletto did two take off skits on "Our Miss Brooks," Bob Stoddard and a avelo singer with the piano accompaniment of Marco Tomlinson. Aldeen Seletto, Jay Ackley, a vocal piano solo rendition of "T.V. situation-N.S.C.,” were an encore in the voice of Ken Meeks.

What happened to the musical script told about the scene. From 6:45 on, a night club was the scene for the cafeteria. Pizza, root beer, seven up, pretzels and potato chips were served by a host of willing and adept volunteers under the direction of Maureen Drury. Thanks are in order for the band for their wonderful musical renditions and accomplishments; you were spectacular.
