Corcoran and Gabry Arrive at Conference

At the Reflector event to press last night Ambrose Corcoran, Editor, and the Gabry delegation left for Detroit, Mich., to attend the national convention of the Associated Colleges of the West. The Reflector delegates boarded the train in Newark at 9:30 P.M. and arrived in Detroit early this morning.

It has been stated that the national convention is "in reality a short course in publishing and editing" but the purely instructional is steadily balanced by a full social program. This afternoon Mr. Corcoran and Mr. Gabry will conduct a tour of the city. Tonight they will attend the "mines" party sponsored by student organizations of Wayne University, convention host. Tomorrow evening the delegates will be the guests of General Motors at the convention sanatorium.

Mr. Gabry will take advantage of the lectures given at the convention for the benefit of learning. The "Peekin' Stuff?" series of lectures will be presented Sunday afternoon.

General Motors. Tomorrow evening the delegates will be the guests of General Motors at the convention Sanatorium. Some 600 institutions of education are represented as New York and California. Students from states as widely separated as New York and California will be attending the ALA national assembly.

Mr. Gabry will take advantage of the lectures given at the conven­ tion for the benefit of learning. The "Peekin' Stuff?" series of lectures will be presented Sunday afternoon.

All-American Event

This is the first year that delegates from Newark Teachers College have represented their publication at this convention. In addition to the higher learning belong­ ing to the association, the Reflector has been represented as New York and California. Michigan and Alabama will be attending this All-American assembly.

Mr. Gabry will take advantage of the lectures given at the conven­ tion for the benefit of learning. The "Peekin' Stuff?" series of lectures will be presented Sunday afternoon.

Yearbook Pictures Scheduled Today

Today, at 9:00 A.M., the Memora­ bilia began photographing college or­ ganizations for the yearbook. This will be published next spring. Instead of the usual formal type picture which presents only a line of uninteresting faces, the pictures will be of a more informal nature, showing groups of only five or six members engaged in various club activities.

The schedule for pictures is as fol­ lows:

9:00—Art Club
9:12—Camera Club
9:24—Forum Club
9:36—Glee Club
9:48—Handicraft Club
10:00—Instrumental Ensemble
10:12—International Relations Assoc­ iation
10:24—Library Council
10:36—Marionette Guild
10:48—Madrigal Club
11:00—Music Study Club
11:12—Alpha Theta Pi
11:24—Alpha Chi Omega
11:36—Night Life Sketch Club
11:48—Norma Theatre Guild
12:00—Assembly Committee
12:12—House Committee
12:15—Social Committee
12:24—Pi Lambda Chi
12:36—Psychology Club
12:48—Psychology Club
1:00—Social Studies Club
1:12—Woodward Science Club
1:24—Student Art Teachers Guild
1:36—Basketball Society
1:48—Athletic Committee
2:00—Epoleon Phi Tau
2:12—Sigma Omega Phi
3:00—Class of '42
3:12—Class of '43—Suzuki garden
3:24—Class of 14

Fifteen Students Elected as Members of Kappa Delta Pi Society

Delta Rho Chapter of Kappa Delta Pi elected fifteen new members at its meeting on November 6. Six seniors, eight juniors and one alumna were accepted by the society for membership.

The REFL ECTOR is unable to dis­ tribute this information at the present time. However, it may be of interest to the national organization. Of the fourteen undergradu­ ates there are five in the General Ele­ mentary curriculum, six kindergarten teachers and three Industrial Arts.

Mr. Corcoran will take advantage of the lectures given at the conven­ tion for the benefit of learning. The "Peekin' Stuff?" series of lectures will be presented Sunday afternoon.

Of the fourteen undergradu­ ates there are five in the General Ele­ mentary curriculum, six kindergarten teachers and three Industrial Arts.

The officers for this chapter are Ruth Powers, Secretary, Student Organization, and Ronald Ferris, President.

 Resolution of College Students Praised by Many

Much favorable comment has been directed at Newark Teachers College as a result of the resolution adopted by the in relation to national pre­ paration. Mr. D'Angelo in comment­ ing on the attitude of college students in the present crisis cited the specific example of the action taken by the student body of the college, at the request of Mr. D'Angelo. Mr. D'Angelo in comment­ ing on the attitude of college students in the present crisis cited the specific example of the action taken by the student body of the college, at the request of the president. More Publicity

At a recent meeting of the College Phy­ sical Education and Non-Sport Activities Committee of Rutgers University, Mr. Joseph A. D'Angelo, Jr., assistant athletic director of the university, commented on the fact that he was not present for advertising purposes he turned a copy of the resolution over to Mr. Little, acting chairman, with the invitation to read it if he so desired. Mr. Little returned it with the request that Mr. D'Angelo read it to the members of the assembly. At the conclusion of the pres­ entation Mr. Little praised it highly, concluding that it was a "beau­ tiful day of the present society.

Hostetler Gets Large Groups

"The group here is easily to handle," Mr. Hostetler reported. As in the past, the group gets a varied touch to the social dance program of the school.

As an exponent of the art of social dancing Mr. Hostetler feels that "the steps of dance are the last point to be considered in a study of the technology of social dancing, on the dance floor. He adheres to no particu­ lar step at all times but simply a variety of rhythms. As a teacher of all forms of dancing Mr. Hostetler finds tap his favorite.

Five Day Holiday

President F. D. Roosevelt elected for Third Term By College Straw Vote

Franklin D. Roosevelt, Henry Wal­ lace, Charles Edward and Warren Barbour won the election of the straw vote sponsored by the Forum Club. Only 66 per cent of the student body voted.

After tabulating the results, it was found that the Democratic ticket was split more than the Republican. Some of the students voted for just one of the candidates. Listed below are the final results:

For President: Franklin D. Roosevelt 190
Wendell Willkie 137
Norman Thomas 19
For Vice-President: Henry Wallace 179
Charles McNary 151
For Senator: James Roosevelt 142
For Governor of New Jersey: Charles V. H. Hively 181
Robert Hendrickson 142
For Senator: James Roosevelt 137
Warren Barbour 190
Oblivious to "Armistice"

LET it be the last "Armistice" Day. For by very definition it did when arms were raised. It is gone, the interlude of peace, the brief cessation of hostility. The armistice is past.

What was this idol we have worshiped but admission we could hope not for lasting peace. Armistices must always be but intervals between the clash of arms for they are never born of reason, conceived by calm deliberation. They are abortive offsprings of defeat begot by lustful victory, bred in hate and venomous war.

Let's have another "Day," that when the curtain falls again on blood and ruin, we may proclaim our confidence in minds of men, that Peace is not an interlude but man's great goal attained.

Puff Out Your Chest!

LAST month the college adopted a resolution supporting the "principles of democracy" and the "intellectual and moral defense of America." Certainly it is fitting that we did this, as citizens, and much more so as teachers. What we got together and passed as the resolution as a group was important, but far more important is the meaning that succeeding readings will give to each of us as individuals.

When we consider that other people—important people—outside our institution have commended us highly, then this realliy is part of our own creative contribution to the total defense of America.

Are You a Booster or a Knocker?

WHICHEVER it is, a boost or a rap, you may register it through the REFLECTOR by writing a letter to the editor. All letters must be signed if they are to be published; we will withhold your name, however, if you so desire.

Food Before Thought

We have it on good authority that the Sophomore Class has acquired a very regrettable reputation among the Freshmen. They persist in going to lunch instead of exercising their privilege of attending their class meetings.

To date, three meetings have been dismissed because of a lack of a quorum. What is wrong? Are its members so devoid of class interest so as not to care what happens to their college? This seems to be the case. The answer can be given only by the Sophomores.

Model Railroad Offers Diversion

Shades of Casey Jones! one of our Industrial Arts freshmen, Paul Sauls, is a railroad man. Mr. Sauls is owner of the railroad. It is one of the outbuildings on the old Saule Hawkins tassle. The illusion seems to be that the entire layout of the train may be turned on the horizon.

The girls met at the “Brown Derby” on Gibbons Campus where they were served refreshments. The girls sang songs some of which were original compositions. Then each college group was called upon to sing its Alma Mater. The finale was reached when our students wrote and sang their own compositions.

The girls who represented Newark State included Irene Arvay, Gertrude Breitenbach, Margaret May, Gertrude Ziegler, Archery; Mary Churinska, Ann Poli, Toddie Yonkin, Fencing; Grace Gallett, Dot Neils, Barbara Whitman, Hockey; Ruth Blumen- schna, Lois Dey, Blanche Kern, Anne McCauley, Marie McKenna, Swimming; Joan Belissi, Diana Venables, Tennis; Ruth Gladstone, Peggy Dean, Betty Gash and Lorenza Zink, Volleyball.

Archery Club Obtains Range
Group Plans Expansion

The Sagittorl Society which meets every afternoon from three to five o'clock has recently adopted a shooting range of its own in the Yanticville Park, Nutley, New Jersey. This added feature will extend the privilege of shooting to juniors and seniors, providing that they can apply their own equipment. The Society believes that in making this move it will enable those who are vitally interested in archery to continue their activity in this sport.

The Sagittorl Society is looking forward to archery meets in the near future with outside clubs.

Dick Baldsiefen '40, John Cairns '43
Enlist in U. S. Sam’s Armed Forces

News has been received that Rich­
ard E. Hedges, and John W. "Sam", '43, have joined Uncle Sam’s forces.

Dick is on service in the Flying Cadet Corp. To this date he has passed his physical examination and is waiting for orders. Dick is well known for hav­
ing served the country well. John, who is with the Air Force, is on his first flight for the Civil Aeronautic Authority. A more detailed account of his activities will be a part of the next issue of the Reflector.

Pilot Baldsiefen

North Carolina September 9 for Fort
Monmouth at Red Bank where he be­
came a member of the First Signal Company. He now enjoys his duties well aware of the fact that in case of war this company would be one of the first to be called. He sleeps in a tent and reports that water freezes in the buckets, but he says he likes it and finds it difficult to keep warm. We extend our congratulations to students at N.S.T.C. so that he will not lose all contact with his Alma Mater.

Newark T. C. Rating
Is Being Weighed

New Jersey State Teachers College at Newark is one of thirty-four insti­
tutions in the United States and Canada that are represented by the representatives of the American Association of Teachers College, which is conducting a five­
year study of teacher education. Dr. Mentzer, Superintendent of Schools for all teacher colleges and president of the Newark T.C., is in accord with Dr. John J. Dickey, Texas; and Dr. Engleman, presi­dent of the State Teachers College in New Haven, Connecticut, visited the college October 28-30 to observe the nature of the work that is being car­ried on.

Many Interviewed

In pursuing their work, Dr. Mat­
thers and Dr. Engleman interviewed committees, staff members, students and faculty members. He took part in a conference of the coordinators working with the Elementary Educa­tion on Teacher Education, held at Mr. Summit Hotel in Uniontown, Penn­sylvania. It was reported that the data gath­ered from now until February will aid in modifying practices in teacher edu­cation.

College Representative

Conferences with students, from October 28, 1949, Dr. Roy L. Shaffer, President, and Dr. Martha Dowis, Director of Research, are annual meetings of the College Representative Committee. Their findings will be reported to the annual meeting of the American Association of Teachers Colleges in Atlantic City. It is anticipated that the data gath­ered from now until January 20 will aid in modifying practices in teacher edu­cation.

Approximately 250 Students

Have X-Ray Examination

Fulfilling the demand of the state­
law requiring annual examinations of all students to determine the pres­ence of active or communicable tuber­culosis, X-ray tests were given to the students by Dr. James W. Day, who showed positive reactions to the infection. These examinations were held on Thursday, October 31.

This year, instead of our going to Eastern State for the X-ray, the equipment was brought to the campus. The results were given to those students who came to the college this year. The patch method is the best method of determining the activity of the body to tuberculoses. The patch is a small bit of pre pared adhesive placed on the left forearm.

Norms Rehearse Two Productions

For the first time in its history the Norms Theater Guild is working on two productions at one time. The Norms have been asked by that there is necessary to prevent the spread of the disease. With this in mind, the Guild is at present producing two plays. The first is "The Husband" and "Good-night, Please." "The Warrior's Husband" with Frances Galenter as director will be presented in the college assembly, thus: Act 2: "Good-night, Please." will receive as much attention as the former play, but will not be given before the entire student body.

With an eye toward the annual Northern New Jersey Intercollegiate Dramatic League Contest, the club feels that this will be a fair way to judge what play will be used in this competition. Norms members will vote on the results of these two plays and choose the best one.

Last year the Norms won the League contest and hopes that this innovation of a "two-play policy" will help in the maintenance of the club.

Committee Report Will Ask Election Reform

In order to investigate possible changes in the systems of elections here in the college, a special election committee of the Student Council and a new appointment committee have combined their efforts to con­
tinue the problem.

All plans of the committee are ten­

tative, subject to the approval of the Student Council.

Possible Plans

The committee may recommend

amendments to the Student Organi­

zation Constitution, or submit sugges­
tions regarding procedures that may be followed by the Student Council in all the elections of the college, ex­
cluding club elections.

When the action of the Student
Council has had five meetings and the problem of the current election system has not been brought to a conclusion, a new committee probably extend over a period of two months.

The combined committees are:

Stanley Buckner, chairman; Fred Frost, Seymour Gelb, Rocco Lo­

nucco, Francis Patel, Frances Powers, and Doris Robinson.

Library Council Tea Brings

Sports Writer for Book Week

A major tea will be held on Novem­
ber 12 celebrating Children's Book Day. The speakers will present a paper and authors of books for boys, will be guest speakers. The work being made by a social committee of the Library Council which includes Fred Frost, Robert Jacobson; Margaret Auld, Junior; Claire Booker, Sophomore; Beat­

ild; Rita Kennedy, Sophomore; Nor­

ma Neva, Sophomore; Grace Reilly, Senior; Temple Seipp, Senior; Mid­

dle Shroppe, Senior; and Anne Tacht, Senior.

Bulletin Issued

One of the integral functions of the Student Organization is the publication of the monthly professional bulletin. The first issue was distributed to the facul­

ty members on November 4. The theme of the bulletin is concerned with dramatic activities. Charles DiPaolo, Junior, is editor, assisted by Nicola Commissi, Sophomore; Bernice Doyle, Senior; Seymour Gelb, Senior; Estelle Heilirn, Senior; Thea Kruse, Junior; Norma Neva, Sophomore; John Russo, Sophomore; and Albert Shrope, Sophomore. The illustrations are created by Douglas Taktion.

"Symphonic in Words" Name

For N. L. K. Annual Booklet

"Symphonic in Words" is the name given to Lambda Kappa for its creative literary publication that will be published this year. The club has already begun its collaborative efforts. In addi­
tion to this the members hope to continue and present to the public in the history of the college which is a compilation of the important events which have taken place in the college. This work has been on from time to time and with the exception of this year has been worked on from tim e to tim e in succeeding years by the club.

The officers of Nu Lambda Kappa are: President, Patricia Patel, Senior; Vice President, Norma Alahma, Sophomore; Secretary, Gwendolyn Harrell, Junior; Treasurer, Peggy Snyder, Senior.

Student Organization. It was adopted unanimously. The president then was empowered to call a special meeting of the Student Organization and to appoint a student defense committee.

The action of the Student Council was made known to the Student Organization, James Coleman’s motion from the floor requested that the resolution be adopted by the stu­
dents. This was immediately and unanim­ous vote. Mr. Hess, in behalf of the faculty, asked that the faculty would be included in the wording of the resolu­
tion. This was finally accomplished several months after the original provi­

tory procedure were straightened out for the student defense committee can­
