The Student Council has decided to investigate the possibility of changing the Alma Mater to come up with a solution that would be "effective and efficient" and still permit greater student management of the program.

One committee was to consider the possibilities for a more effective parking set-up. The parking Commission was asked to be submitted to the Student Council bulletin board so that students could more easily contact their council representatives, the sisters for music. After extensive discussion, during which one member of the Student Council expressed the opinion that the present Alma Mater was "unnecessary", it was decided to consider the possibility of having the song written by someone not connected with the school. The motion so commissioned would be asked to submit at least four songs, from which one would be selected, President Conte and Mr. Jack Platt will investigate the possibilities further.

SOLUTIONS COMMITTEE

One committee was formed and members of a standing committee were appointed for the school year in an attempt to solve the parking problem. The former is the "Solutions" Committee, composed of Al Nagy, Lucille Pace, Joan Sullivan and Jim Haney. They were requested by the Council to come up with a solution that would be "effective and efficient" and still permit greater student management of the program.

The already existing committee was the Parking Committee, which was appointed last year. There were four members of the administration, and the committee was appointed for the school year in an attempt to solve the parking problem. The former is the "Solutions" Committee, composed of Al Nagy, Lucille Pace, Joan Sullivan and Jim Haney. They were requested by the Council to come up with a solution that would be "effective and efficient" and still permit greater student management of the program.

The general ideas of printing the names of the sponsors who offer discounts to the student body were presented and a member of the administration, and the students who were appointed for the school year in an attempt to solve the parking problem. The former is the "Solutions" Committee, composed of Al Nagy, Lucille Pace, Joan Sullivan and Jim Haney. They were requested by the Council to come up with a solution that would be "effective and efficient" and still permit greater student management of the program.

The Council approved an appropriation of $300 to buy furniture for the College Center Board later this year and a committee of four students--Richard Handschuch, Shirley Sacher, Joann Parelli, and Bob Zolkiewicz--was named to work with the College Center Board in determining the program.

**APPLAUSE, PLEASE**

**Dear Editor,**

The staff of your newspaper is to be congratulated on continuing to publish an excellent and generally informative publication. Indeed, it warms one's heart to think of our students, who read it, as having an editorial which includes a quotation from Hamlet in ease and familiarity.

However, I have a complaint which is not in line with this pleasant situation, and that is not picayune. You did not recognize the name of the speaker who said something about his Catholicism being very quick to point out how a simple oversight can be done very quickly.

You do refer to the fact that I was a political science professor at a very small college, and I mentioned the availability of the student body to enhance the school's educational program. This is required by this institution.

There is no need for a bureaucracy in a college, that all that is necessary is to staff it with intelligent and capable people who will staff and the school can carry on from there. Frankly, this is an asset that is not wasted. The faculty, the students, the staff, and the school should be working together.

Sincerely yours,

Betty Ann Moxley

**AN ANSWER**

**Dear Editor,**

It is always a good thing to hear from the Student Council on the contents of her article "Function Without Understanding" (December 2, 1960). We cannot pass the statement that my department was "intellectually unreasonable," in the letter of the Student Council. The Council is, indeed, correct. The "sawing off of the head" is not a matter of intellectual immorality.

Your statement to the fact that I refer was a plea for academic freedom, and I did not concern myself sufficiently to be wishful. But "tsis," "tsis," "tsis," not "it" yours.

For more and better Shakespeare.

Donald R. Raichle

**Editorial**

We'd like to express the conviction of the Student Council that the me meeting was a well-run one, and that the results that should constitute the boundaries of what constitutes official. The will, that is, if the student body has ever really thought about what it is here for and what it is to do. The reflection of the student body was particularly gratifying to hear present Tony Conte and other members of the Student Council to address themselves to this question in an intelligent and thoughtful way.

The Student Council has followed the progress of Mr. Luscombe's "Religion in America" course.

Advanced courses in history are rarely, if ever, prescribed as part of the curriculum. My course, more general in nature, is generally regarded as a liberal arts course. Mr. Luscombe's is wholly elective and given as part of the general education in liberal elements, is not in my opinion in our course "sequentially." Mr. Luscombe's.

We have carefully thought through the process of the student body, and we are not able to state our wills. The educational process is private, and we must face the fact that we cannot predict the results that will follow.

To the Editor: The Growth of the University, Mr. Luscombe's "Religion in America" course.

Don't let empty promises pass for real achievements. It is time to put a stop to this nonsense.

**Letters**

**POLITICALLY SPEAKING**

To the Editor: If the editor really believes Mao Tse Tung represents 700 million Chinese, he is most certainly mistaken.

My course, more general in nature, is generally regarded as a liberal arts course. Mr. Luscombe's is wholly elective and given as part of the general education in liberal education, and is not in my opinion in our course "sequentially." Mr. Luscombe's.

We have carefully thought through the process of the student body, and we are not able to state our wills. The educational process is private, and we must face the fact that we cannot predict the results that will follow.

To the Editor: The Growth of the University, Mr. Luscombe's "Religion in America" course.

Don't let empty promises pass for real achievements. It is time to put a stop to this nonsense.

**Janet Memorial**

When students graduate from Newark High School and are educated to perform a service in the real world, many present students are willing to help. Tutoring services are available to students who are willing to do more than they already are required by this institution. Janet Memorial House in Elizabeth has been formed to help. Tutoring services are available in the immediate vicinity of the college. Janet Memorial House is open to all interested girls. This is a story of young women doing good work and making a difference.

**STUDENTS FOR KENNEDY**

To the Editor: In the editor's letter with the Dr. Huxtable's Caravan for Kennedy, one can see how new ideas can be a part of the process of change. By doing so, one can help to make the world a better place.

We are pleased to announce that Mr. and Mrs. Henry Partney are in the process of changing their course in Kennedy on campus in lieu of this year.

A very wise and old man once said, "No man is an island." He means he calls us "Your Nixon provokes me."
Soccer

Sports Night

Newman Club is sponsoring a Sports Night on October 13, at 7:00 p.m., in the Gym. This will be a track meet which consists of relays, individual sports and varying evening games. To the evening there will be refreshments. Come on, come all, even if you don't participate.

Weekly Schedule

Tuesday, October 11
Junior's and Seniors Visit Schools - All Day 8:00 P.M.
Newman Club
Meetings Room

Wednesday, October 12
4:30 Cheerleading 6:00 Bray- King Dance Lecture
Gymnasium Little Theater

Thursday, October 13
3:00 Soccer - Seton Hall 3:00 B.S. Tea
3:30 Fraternity Games 7:30 Main Lounge
7:45-11:00 Sports Evening - Newman Club Gymnasium

Monday, October 17
7 - 12 Open House for Parents and Community
8:00 fluorescence Speaks 7:00 Achten Club

Tuesday, October 18
7:30 Athletics Club

W.R.A., welcomes EVERYONE to softball each Tuesday from 3:30-6:30

W.R.A. Softball

Softball began on Tuesday, October 13, with three teams from the Sophomore class. The Sophomore had the largest turnout of 36 players, who, Mr. Kittredge, said is no surprise and to be expected on the basis of the competition in the past years.

Mr. Kittredge called the horas to make the game more exciting by playing with the Federal, to keep the teams in sports and moving at a good pace. To keep reminding us that America is the stronger power and moving in a good pace to stay ahead of the USSR, he states, that for the colleges to be competitive.

He, too, is anxious to keep Federal control. He discusses his national goals are the same as ours, because education is a basic need of the man and to off the communist challenge with a stronger and more united front. He states our prestige has suffered and with the leadership of their new coach, Mr. LaRusso, they will return to the court in hopes of achieving the same success next season.

Mr. Kennedy points out that if America keeps its present pace, e.g., averaging 30% pass over its national strength, cannot be complacent. He points out that America is the stronger power and moving in a good pace to stay ahead of the USSR, he states, that for the colleges to be competitive.

Soccer News

Newark Battles with Montclair by Frank Adams

On Wednesday, September 28, Newark State began its first year of inter-collegiate soccer competition at Trenton. The game turned out to be a battle of Trenton for the team this season. However, Newark's defense, which was led by Angelo Segalla and Andy Horun, wasn't able to subdue Trenton completely as they showed promising and talented material and has sighted its highs high and wide at a crack on the victory.

Sigma Theta Chi

Roils - 2 - 2

Sigma Theta Chi kept its unblemished record intact on September 28 when they defeated Montclair 2-2. For the first half was dominated by the spirited play of Sigma Theta Chi, each team failed to score the first time they had the ball. Then Sigma Theta Chi scored on the rifle arm of Mr. Horun as he and Mr. Segalla moved in for the 1st goal on a 15 yard penalty kick by Wes Danilow to put Newark within striking distance. In the last quarter, Newark rallied for two goals to make the former slaughter a draw. In the second half, Frank Adam scored his second goal as he intercepted a pass and went 40 yards for the score.

The only score in the second half occurred when Sigma Theta Chi scored in the final seconds to win 5-3.

Squire Cagers Begin Practice

Last Wednesday, October 5, the Squires unofficially opened their basketball season with their annual tour to Adelphi for the leadership of their new coach, Mr. McLaughlin, they will return to the court in hopes of achieving the same success next season. The success of the season will depend on how well the young squires can match up with the opposition. Last year's tour to Adelphi will be a crack at one of the five spots open on the Squires starting line-up.

Mr. Bill LaRusso, Assistant Coach

On Monday, October 4th, the Newark State soccer team suffered a 5-3 loss to Jersey City State's soccer team. This was the second conference game for the Squires, and the second loss.

Jersey City scored twice in the first half to move into a two goal advantage, Newark rallied in the second half and made the final score 5-3. The Squire's hopes sank when they were unable to make the second score during the second half, however, the Squires were able to make the former slaughter a draw. The Squire's hopes sank when they were unable to make the second score during the second half, however, the Squires were able to make the former slaughter a draw.

Mr. Kennedy points out that if America keeps its present pace, e.g., averaging 30% pass over its national strength, cannot be complacent. He points out that America is the stronger power and moving in a good pace to stay ahead of the USSR, he states, that for the colleges to be competitive.

Squire Cagers in Action

Mr. Bill LaRusso, a graduate of Newark State College (class of '56) was named Squire Basketball coach. The appointment was made by Dr. Joseph Errington, Co-coordinator of Athletics.

Mr. LaRusso, as an under graduate played four years of varsity basketball under Gus Jackson, a former coach here. The club's record for the four years that Bill LaRusso played was 52-27 with its best season being 16-3. In 1956, Mr. LaRusso received the McKenna Award for the most valuable player in basketball, in his Senior year he here he captivated the basketball team hitting .337 average for four years.

Prior to his appointment as coach this year, Mr. LaRusso was assistant basketball coach in 1957. Besides coaching this year, Mr. LaRusso has a job as a coach at Morton Street School in Newark where he has been on the faculty for five years. Having received his B.S., and M.A., at Newark State, Mr. LaRusso is continuing his studies at Teachers' College, Columbia in pursuit of his doctorate. In the years between 1952 and 1954 he helped out "Uncle Sam" last is present an officer in the U.S. Army Reserve attached to the Adjutant General's Corps.

While at Columbia University, Mr. LaRusso played for the basketball team. Last year he coached the basketball team at Trenton State.

Mr. LaRusso graduated from the Eastern State College, the former Miss Rosina Ives, they have nineteen year old daughter and expects to be a farmer again come March.

Coach LaRusso lashed by a squad of veteran players from last year's, young players and started practice sessions for all hopes of taking the first one of capturing any one of positions on the varsity.
Marder Honored by Reflectors

The "Dana Review", Newark State's contribution to the literary world, achieved a major milestone in the process of creation under the guiding hand of English Professor, Advisor, and Mass Barons' '56, Acting Editor, Nu Lamappa Summer, which publishes the magazine, has been honored by the Reflectors and announced as a result the intention of saving two issues this year. The publications, coming out on November 1 and June 6, will contain written articles in the literary forms from poetry to essay by the members of the Reflectors group.

Group meetings are held during club hour every Tuesday in the English office. During this time members give constructive criticism to each other concerning their works. Anyone interested in writing, or in any of the other phases connected with getting a magazine to press, such as proof-reading, typing, or illustration may attend. It is not mandatory, however, to attend these meetings in order to submit a manuscript to Dr. Fred Marder, because they may be open to all, provided they show interest and the ability to contribute to the make-up of the "Dana Review".

Just to test your interest in the club, we offer as a challenge to try to solve the following problems:

1. "Who is this, Student Body President ?"
2. T.S. Eliot
3. R.M. Nixon
4. J.B. Tito
5. H.C. Lodge
6. L.R. Johnson
7. J.B. Tito
8. V.K. Krushchev
9. H.C. Lodge
10. H.D. Thoreau

You score one credit for every answer you get right, even though you may be able to solve only the easier ones.

Three credits or more and you are a "well-informed" category.

Less than three and you'd better read the TIMES more carefully the next time.

We think this is a challenge you could accept, and we are sure that you will attend the meetings more regularly if you solve these problems.

Dwyer's Topics

Now in her fourth year in the House of Representatives, Congresswoman Dwyer has sponsored legislation to prohibit residential income taxes; to increase the earnings limitation for people receiving social security; to establish a program of private housing for veterans; and to establish a national defense fund.

Turtle Desires Course in Ed.

Is there a course offered?

In order to increase the enrollment of the "Whole Turtle" or one of another similar turtle? If you know of such a course, please notify the REFLCTOR staff immediately, so that we may increase the enrollment of the turtle.

It seems that last week one of the turtles was crossing Conson Avenue at the inopportune moment when two turtle owners were turning from the printers. Since to attend these meetings one must attend the make-up of the "Dana Review", however, in order to submit a manuscript may attend; it is not mandatory, of course, in order to attend these meetings.

Literary forms from poetry to essay by the members of the Reflectors are offered as a challenge to test your interest in writing. During this time members give constructive criticism to each other concerning their works. Anyone interested in writing, or in any of the other phases connected with getting a magazine to press, such as proof-reading, typing, or illustration may attend. It is not mandatory, however, to attend these meetings in order to submit a manuscript to Dr. Fred Marder, because they may be open to all, provided they show interest and the ability to contribute to the make-up of the "Dana Review".

Student News

The Communications Committee, of which Mr. Kevin Larsen is faculty advisor and sophomore Ken Moe, chairman, issued the following set of rules to be observed in the posting of notices:

1. The bulletin boards in Town Hall and its wings are reserved for notices from the administration and faculty to students. All notices which are not of an official or quasi-official nature do not belong in Town Hall and are to be posted in the College Center.

2. Notices must be neat in appearance, written in clear type on clear paper or on cards having straight edges, and must be placed under appropriate headings on the bulletin boards.

3. Faculty and students may post notices themselves.

4. Notices not posted in accordance with these rules will be removed promptly and destroyed.

Students Welcome Nixon

Mr. Nixon, hard at work...

As a graduate student at the University of Pennsylvania, Mr. Marder has always worked very hard to make the College Center a lively and exciting place to attend and entertaining programs at the college, including this year, the freshman orientation program, and the traditional college program tomorrow evening, with Bruce King.

Last year, the College Center sponsored a photo contest, installed a stereophonic hi-f i system in the lounge, and obtained permission for students to smoke in the cabaret. Mr. Marder also worked on organizing and promoting the "Talk of the Town", the cabaret, and will be present tonight at the College Center.

Mr. Marder's column will appear on the second page of the "Dana Review" and will be published on Sunday.

Zen Buddhism Seminar Topic

"Psychology of Personality and Relation to Zen Buddhism" will probably be the topic of Dr. Robert A. Allen, Director of the Freshman Seminar on Wednesday, October 12. This will be the second seminar in the series and will be held in the main lounge at 7:30 in the evening.

Vice President Richard M. Nixon and his wife Pat, toured through Elizabeth on October 4, and were welcomed by large crowds, including a group of New Jersey students. The Vice President's party began its tour in Newark, they proceeded to Elizabeth where Nixon gave a speech at the windshield Smith Hotel, and then continued on to New Jersey. Nixon was Congresswoman Dwyer and Senator Case, both from New Jersey.

Jay Duke's "Dixielanders" gave the final show of the College Theater of Newark State College on September 29 at 8:30 p.m. The "Dixielanders" consisted of a six-piece band, including piano, guitar, bass, drums, cornet, trombone, and clarinet. Bud Freeman, guest star, performed on the saxophone, and Ira General performed on some selections on the flute. This concert was sponsored by the College Center Board, under the chairmanship of Mr. Fred Marder.

Wapalone Hold First Camping Trip

The Wapalones went out on their first camping trip of the year to Lehman State Forest on October 1 and 2. Old members plus the freshmen campers enjoyed the trip.

As guests of the club, the two groups enjoyed songs, dances, and campfire stories under the leadership of Mr. Mayoral and Zuleika Mussi, who were in attendance.

The groups arrived back on Friday night after 7:00 but there was much work to do.

The members were upperclassmen and freshmen. The group went for a three-hour hike to the Fire Tower, which is located in Lehman State Forest. Later, they took a ride to Park Pond where some swimming and picnicking was done. Mrs. Melina, including Milica, went swimming. Mr. Moe, the president of the Wapalones, took the club on a Panther Hunt on Saturday night. This was followed by group dancing.

A delegation from the College Center also visited the camp and the Vice President when he arrived.

Mr. Marder, who was also there, kept his eye on the future, with the thought that his activities had been well received by the students, the hotel, the students followed into the main lounge at 7:30 in the evening.

Dr. George Gage, the speaker for the first seminar which was held on October 4, his topic was "The Handicapped Curriculum at Newark State College". Head of the speech clinic on campus, Dr. Gage explained how students may enter the handicapped curriculum, if they wish to become speech correctionists or teachers of the mentally handicapped.

A seminar desiring to do so may enter the curriculum in another year, they must first be interviewed by Dr. Genge, and if they are accepted, will take the entrance test, which is administered in a specialized curriculum in place of the usual curriculum.
