Dear Mrs. Dwyer,

Just a short note to let you know I personally am vociferously opposed to the compromise version of the Food Stamp Authorization Bill (S 3068) which would allow poverty food stamp distribution to striking workers. This is really piling it on the public, to support strikers, but to have no voice in whether the strike is legitimate or not.

I strongly urge you to reject by your vote the Conference Report which would allow this.

P.S. For the plus side, I am pleased to see S. 698 has a pretty good ~~chance~~ chance of going through, which would allow for a periodic Congressional review of grants-in-aid.

Dear Mrs. Dwyer,

Just a short note to let you know I personally
am vociferously opposed to the compromise version of the Food
Stamp Authorization Bill (S 3058) which would allow covertly
food stamp distribution to striking workers. This is really
glaring in on the public, to support strikers, but to have no
voice in whether the strike is legitimate or not.
I strongly urge you to reject by your vote the
Conference Report which would allow this.

Respectfully,

J. Edgar Hoover

P.S. For the plus side, I am pleased to see S. 680 has a
pretty good chance of coming through, which would
allow for a periodic Congressional review of grants-in-aid.
