(Story on Page 2)
Revision of Attendance Standards Announced

On the basis of being more life-like, a revision of College attendance standards beginning with the February semester was unanimously agreed upon by the faculty at a meeting on Monday, November 17. The underlying belief of the change was that students are expected to be in class if they are well.

Absences will be kept by the individual instructors, not by Mrs. Denny as in the past. After being absent a day, students should report to Mrs. Denny before class and fill out the customary card. They will not, however, receive an absent slip to show their instructors. Prolonged absence due to illness will be handled as an individual matter in relation to whether or not the course is to be continued with full credit. Students absent from class when they are known to be in school will have to report to Mrs. Denny.

Still operating on a more realistic basis, it will no longer be necessary for tardy students to report to the Registrar's office for a late slip. This is to facilitate an already late pupil reporting to class even later because of going to the office. Each case of tardiness will be handled individually.

Kappa Delta Pi Elects New Members

Twenty-four students from junior and senior levels attended Delta Rho chapter of Kappa Delta Pi pledge party in the Tudor Room on Tuesday, November 4. Those elected for membership in the national honorary educational society are: Walter Bittman, Dorothy Brown, John Cairns, Albert Chamberlain, Edith Davidson, Walter Flint, Athena Mantgas, Faustina Mascia, Harold Mills, Sydel Satkin, Carmela Senerchia, and Charles Stevens, seniors; Evelyn Abrahamson, Evelina Bianco, Florence Borylo, Rosanne Conroy, Rhoda Kirschner, Shirley Pfeil, Jean Potter, Beatrice Rotondi, Marion Schriek, Frances Van Arsdale, Joan Wolf, and Mary Yoerger, juniors.

The society is planning a formal initiation banquet at the Kraft Homestead, East Orange, on Tuesday, December 2. At that time Miss Lockwood will speak on the Educational Advantages of a Trip Abroad. Members of the planning committee include: invitations, Barbara Bohsen, Valerie Schwartz; refreshments, Margaret Leusenring, Doris Rosberger; program, Jean Garlock, Shirley Goldfarb, Nancy Hahn, Dorothy Wageman; initiation ribbons, Beverly Levy.
Dr. Peterson Furnishes Formula for Success
by Ina Finkelstein

Newark State had the pleasure of welcoming Dr. Houston Peterson of Rutgers and Columbia Universities on Thursday, November 6. Dr. Peterson, author of Great Teachers, talked to the assembly on that subject.

Dr. Shea, who introduced Dr. Peterson, gave some indication of the professor's popularity when she stated that only one lecture was required to convince freshmen to use the diminutive "Pete" in describing Dr. Peterson. At the conclusion of the assembly hour, seniors, juniors, sophs, and freshmen demonstrated by their applause that they, too, felt that way about "Pete."

Dr. Houston Peterson

One very interesting point which Dr. Peterson made was that elementary school teachers are inclined to underestimate their power. In this connection, he stressed the fact that teachers need to be human, that they have both the ability to create and the ability to destroy subject matter.

Dr. Peterson's years of experience as a student and a teacher have allowed him to formulate what he calls platitudes about certain aspects of teaching. He said first that no subject is intrinsically so interesting that it cannot be killed by a poor teacher; second, no subject is intrinsically so dull that it cannot be made interesting by a good teacher; third, an able teacher always transcends his subject; fourth, elementary school teachers have great influence in shaping the minds of students.

Dr. Peterson concluded his address with several suggestions for future teachers. He advises them not to fear going off on tangents; some of the most effective learning takes place then. Teachers should avoid worrying about the so-called hackneyed things; they have the ability to enhance the value of commonplace occurrences. Private slogans or quotations add both to the stature of the teacher and to the interest of the pupils.

Great Teachers is an anthology in which the methods and influences of elementary, secondary school, and college instructors are treated by persons who studied with them. Besides being a writer, Dr. Peterson is often written about. His early years at Rutgers are treated in The Ivy Years by Miers; his former chairmanship of the Cooper Union Forum in Fine Tooth Comb by Paul. Dr. Peterson is also a subject in Who's Who.

Thanksgiving Assembly Features Upsala President

Dr. Evald Benjamin Lawson, president of Upsala College, will be the principal speaker at the Thanksgiving assembly on Wednesday, November 26.

Assuming the presidency of Upsala College in December, 1938, at the age of thirty-four, Dr. Lawson was one of the country's youngest college presidents. He is a recognized authority on the early life and contributions of Lincoln.

Dr. Lawson was graduated with an A.B. degree from Upsala College in 1925, and earned his B.D. degree from Augustana Theological Seminary in 1928. Doing graduate study at the Biblical Seminary in New York, majoring in church history, he received his Doctor of Theology degree in 1937.

A contributor to literary and theological periodicals, Dr. Lawson is a translator of Swedish literary and religious works. He is author of Tercentenary Hymn and Hymn of Youth, and associate editor of Augustana Quarterly. Dr. Lawson is a recipient of the Knight of the Order of Vasa from King Gustaf V of Sweden for his work. He is a member of the American Society of Church History, Society of Biblical Literature and Exegesis, vice-president of the Augustana Historical Society, and Chairman of Commission on Higher Education of Augustana Synod.

Viewing Abstract Art
by Henry F. Brzezinski

In the general terminology, art is the creating of order out of chaos. The layman looks at abstract painting and ponders. His visual and simple deduction is that abstract art is chaos itself, and the creation of some artist’s deranged mind.

Intensive study of this movement in art will prove that it was a scientific evolution. Art, like philosophy, had its fundamental theorems. From there man, the creator and thinker, has evolved a new concept. Contemporary expression in art is a new language; to appreciate it we must learn its underlying basis. The painting is the artist’s means of communicating with us. This communication as a language will be understandable to us only when we have surrendered our deep-rooted attachment for the traditional symbols.

As future teachers our knowledge of the new expressions in art should increase to the point where we can impart this new communicative process to the up-and-coming citizens of the world.

Contemporary Art Exhibits Displayed Along Corridor

A series of exhibits on contemporary art and artists have been planned by the Art Department for the remainder of the school year. The exhibits will be displayed along the main corridor and in the cases in the vestibule.

The first exhibit, Understanding Modern Art, was displayed up to Friday, November 7, through the courtesy of the Eastern Arts Association. Coming from the Museum of Modern Art, copies of famous paintings by such leading Modernists as Cezanne, Picasso, Van Gogh and Shalin were shown and analyzed.

The second of the series, being currently shown, includes processes of making prints such as silk screen, lithographs, etchings, wood engraving and wood cuts. Prints by contemporary American artists include some by Stuart Davis, who has taught at Newark State. This exhibit comes from the Newark Museum.

Elements of Design, the third display, will explain the language of design. This exhibit also comes from the Museum of Modern Art. The main theme of the fourth exhibit will be Christmas.

The series will be handled and put up by committees of art students from every class. Committee chairmen are Nadine Lewis, Henry Brzezinski, Jean Abbott, Clarence Brasch, Janice Wright, Charles Stevens, Sydel Satkin, Jean Tetley and Kathryn Comly.

Counseling Capers

Members of Miss Brooks’ counseling group dined at Stauffer’s Restaurant in New York on Monday, November 17. Seeing the musical Oklahoma concluded the evening.

Miss Mitchell’s group got together for a Halloween party in the Tudor Room on Thursday, October 30. Sophomore members were responsible for refreshments, juniors took care of decorations.

Members of Miss Barber’s counseling section are awaiting the arrival of tickets for the musical Annie Get Your Gun.

Tudor Room Personality Rating

How do you rate as a Tudor Room personality? To find out answer the following questions and check your answers with those below.

Do You:
1. Observe piano, radio, and victrola rulings at all times, namely, use only before 9:00 A.M., during fourth hour, and after 3:30 P.M.?  
2. Throw all scraps and paper in the waste basket?  
3. Place cigarette butts in ash trays instead of on the floor?  
4. Empty ash trays when they have become filled?  
5. Keep your feet off the furniture?  
6. Refrain from eating lunches and other food in the Tudor Room, except at parties?  
7. Clean up after parties and leave furniture in an orderly arrangement?  
8. Throw out left-over party decorations instead of stuffing them into the closet?  

Answers
1. Yes, the Tudor Room is not in an isolated ward. Sounds carry and college business is going on directly above and around the room.  
2. Yes, we shouldn’t expect Mrs. Hughes to clean up papers we have carelessly thrown on the floor.  
3. Yes, the floor is made to walk on.  
4. Yes—before they overflow!  
5. Yes, furniture likes a clean face as well as you do.  
6. Yes, the cafeteria is just one flight below.  
7. Yes, remember to leave the Tudor Room the way you like to find it.  
8. Yes, let’s not have a “Fibber McGee” closet.  

The House committee hopes that all the students will cooperate in making the Tudor Room a pleasant place in which to spend leisure time.

Mr. Sloan showed his sympathy for the accelerated seniors who were taking their exams, by bringing a crying towel to class. When Mr. Sloan explained to Dr. Wilkins what the towel was for, Dr. Wilkins replied:
“Oh, I thought that’s the towel they throw in.”

Forum Club Visits UN General Assembly

Forum Club members and their friends visited the United Nations General Assembly at Flushing, Long Island, on Tuesday, November 4. Those attending were Jeanette Brooks, Betty Kittner, Faustina Mascia, Elizabeth Forgione, Sheila Fried, Pauline Orsulak, Sylvia Gouss, Seymour Farber, Judith Arsenault, Betsy Bornmann, and Eleanor Ceto.
Norms' 'Blackout' Rendition Professionally Performed
by Ina Finkelstein and Miriam Shapiro

In these hectic days, there is at least one thing that remains consistently good; that is the Norms Theater Guild. In assembly on Thursday, November 13, a one-act play, Blackout, by Margaret Muir Raines, was presented in a highly satisfactory fashion.

The scene of this mystery-comedy was an inn in Little Edgecombe-on-Sea, a village on the English coast. Here as World War II began, Tony Adams, a young American, found himself with a strange assortment of refugees. To this inn, crowded with worried people, came Eve Darling, whom Tony had met before under embarrassing circumstances. Tony tried in vain to avoid further entanglement with Eve when she confessed that she was in a serious predicament. The manner in which the irrepressible Eve drew Tony into the mix-up, and their subsequent adventures with foreign agents, burglars, and the British constabulary made up this story of one memorable night during a war-time blackout.

The play was well-acted throughout. Props, scenery, and lighting were handled well. Actors were Charles Stevens, David Howe, Alverna Frankel, Leonard Horowitz, Seymour Farber, Gloria Wittick, Walter Ulshaefer, Carolyn Lerman, Zelda Huff, Albert Kochka, Don Kahrman, Norma Reilly and Howard Ackerman.

The entire production was supervised by Dr. Lenore Vaughn-Eames, adviser for Norms. Mary Crisafi directed, assisted by Lucille Stein. Behind-the-scenes workers included Fay Kashefsky, production manager; Joan Wolf, chairman of scenery and properties; Bill Kunz, head of the lighting committee; Lois England and Frances Van Arsdale, chairman and co-chairman respectively of the costume committee; Valeria Bartell, head of the make-up committee; Howard Ackerman, chairman of publicity; Eileen Devine and Eunice Plunkett, prompters, and Shirley Goldfarb, programs committee.

We congratulate everyone for a job well done.

Honorary Literary Group Welcomes New Members

Nu Lambda Kappa, honorary literary society, welcomed its new members at an informal tea in the Tudor Room on Wednesday, October 22. Members of the faculty present included Dr. Dougall, Dr. Wilkins, Dr. Whiteman, Dr. Vaughn-Eames, adviser, Dr. Shea, Miss Rafferty, Miss Lockwood, and Miss Baker.

Newly elected members of the literary honorary are Evelyn Abramson, Jane Donoh, Michael Elia, Ruth Frome, Joan deGryse, Dorothy Gross, Viola Laflin, Carolyn Lerman, Helen Margoczy, Nick Marini, Margaret May, Joan McPhilips, and Ernestine Rogatis.

Harry Gommoll entertained by recording all the poems which have been selected for The Good Tree, a book containing the works of Nu Lambda Kappa members. The volume will be published in the Spring.

Swifter Seniors Send Sadness to Schoolmates
by Valerie Schwartz

I don't know who is responsible for letting some of the seniors accelerate, but it makes me very sad. I realize that the class of '48 will leave a tremendous gap, and probably the people who allowed half our seniors to leave in February did it merely to soften the great blow.

These stepped-up seniors trot out of the doors of N.S.T.C. just before Thanksgiving and will be seen again only after dark when they come to haunt the halls of the College, just as lonesome for us as we shall be for them.

I hope you realize that all Newark transportation will be upset on the first day the accelerated seniors are out practice teaching. A lonely No. 18 Independent bus will be waiting and waiting at the Lackawanna Station, its vigil in vain. Every morning for nigh onto three and a half years that bus has stopped at the very same spot, and stayed there until Dolly Flinton gaily jumped aboard amid shouts of welcome. Can you picture that dreary, overcast November day when Dolly doesn't appear, leaving a broken-hearted bus and driver to limp along on its route?

What will we do on gray, gloomy days without Harry Segerstrom's cheerful smile and bright red socks to liven up the Tudor Room?

We'll take time out from crying in our cokes to wish them all much good luck—and to ask 'em to please come back and visit us often, huh, please, huh?

Freshmen Visit Philadelphia

Under the supervision of Mr. Bruce, Miss Baker, Mr. Lepp, Dr. Wilkins, and Mr. Richardson, freshman physics, chemistry, and astronomy classes visited Philadelphia on Tuesday, November 4. Among the places toured were Independence Hall, the Franklin Institute, and the Fels Planetarium, where a lecture, Stars Rainbows, was attended.
Social Lights

Mr. and Mrs. H. Arkus announced the engagement of their daughter, Joan, to Jerry Weissman, son of Mr. and Mrs. H. Weissman. Miss Arkus is a freshman at the College. Her fiancé is attending Seton Hall College. A cocktail party will be given in their honor on Sunday, November 23.

Mr. and Mrs. George Sodov announced the engagement of their daughter, Agnes, to Clifford Coyman, son of Mrs. Mary Coyman and the late Milburn Coyman. Miss Sodov is a junior and a member of Nu Sigma Tau sorority.

Mr. and Mrs. Fred Liederman announce the engagement of their daughter, Claire, to Murray Lichtenstein, son of Mr. and Mrs. L. Lichtenstein. Miss Liederman, a junior, is pledging Pi Eta Sigma sorority.

Mr. and Mrs. Paul Sauls announce the birth of a daughter. Mr. Sauls, a recent graduate, was a member of the Industrial Arts Curriculum. Mrs. Sauls is the former Shirley Humphrey.

Mr. and Mrs. Harry Harrison have announced the engagement of their daughter, Maralyn, to Leo F. Sroka. Miss Harrison, a senior, is Recording Scribe of Pi Eta Sigma, and a member of Norms and the Reflector. The couple plan a December wedding.

Mr. and Mrs. George Valentino announce the marriage of their daughter, Lee, to Joseph Kopriva. Mrs. Kopriva is a senior in the Fine Arts curriculum, and a member of Nu Sigma Tau.

The marriage of Marian Coughlan of Long Branch, and Kenneth Mott of Fish Creek, New York, was solemnized on October 13 in the Star of the Sea Rectory at Long Branch. Mrs. Mott was a member of the June 1946 class and was active in the Basketball Club and Science and Math Club. She is a sister in Alpha Theta Pi sorority. The couple will reside in Fish Creek, New York.

Fraternity Forecasts

Anything goes when members of Nu Sigma Phi and Sigma Theta Chi fraternities get together for their Slapstick Comedy Basketball Game. The event will take place in December.

Nu Sigma Phi

Black Magic Enchants Upperclassmen

by I. Wuzthere

Juniors and seniors swung, swayed, jumped, and jived to the strains of Jon Jarrett's Orchestra on Friday evening, November 14, amid decorations and eerie lights which cast black magic spells.

Rose Holley was chairman of the decoration committee, which, to quote a senior, "did a marvelous job." Gratitude should be extended to Jane Rauscher and Fred Tourelle who were instrumental in securing a fine orchestra, and applause to Lois Thoma for her French and English renditions of "Passing By."
Veterans Administration Reveals Insurance Figures

Of special interest to veterans is information received at Newark State from the Public Relations Department of the Veterans Administration.

One in every five World War II veterans holding National Service Life Insurance policies has converted to one or more of the half-dozen available permanent plans, Veterans Administration said.

Of the 5,746,000 policies in force in August, more than 1,037,000 were permanent policies and the remaining 4,708,000 were five-year level term policies.

Nearly two-thirds of the veterans who had converted their policies, or 634,900, selected 20-payment life. Thirty-payment life was second in popularity with 194,000 policies. Following, in order, were ordinary life, 156,400 policies; 20-year endowment, 30,950; endowment at age 60, 15,000; and endowment at age 65, 6,300.

Total value of all the G-I policies in force amounted to more than $34.4 billion. Permanent forms accounted for over $14.4 billion of this total.

NSLI term policies issued before January 1, 1946, may be continued for eight years from the effective date at the original rates, while such insurance issued after that date may be continued for five years on a term basis.

Term policies do not accrue cash, loan, paid-up or extended insurance value. They may be converted at any time before the expiration of the term period to any of the six permanent plans available.

Veterans acquiring dependents after entering training under the G-I Bill as single men should notify Veterans Administration immediately so that an adjustment may be made in their subsistence allowance payments. The VA increases payments as of date it is notified and not retroactively to the date of veteran actually acquired a dependent.

* * * *

Veterans who fail to repay subsistence allowance over payments while in education or training under the G-I Bill and who later apply for unemployment or self-employment allowances will have the amounts they owe the Government deducted from the latter benefit checks, Veterans Administration said.

Explaining that Federal statutes prohibit payment of Government funds to persons indebted to the United States, VA said instructions will be issued to state unemployment compensation agencies for the recovery of such overpayments from readjustment allowance claimants.

Veterans who have made arrangements with VA to repay their indebtedness are considered in good standing and are in no way affected by the new system, since it will be used only in cases where "there is no apparent means of recovery from sources other than readjustment allowances," VA said.

Veterans to Requisition Supplies by December Deadline

Announcement has come from Mr. Toohey's office that Monday, December 1, is the last day of the fall semester on which veterans may procure books, supplies, or equipment from the College bookstore. All of the required books are available in the bookstore. Veterans should estimate what supplies they will need for the remainder of the term and then requisition them before the deadline.

Paralyzing Prices Press College Cafeteria

by Andrew Book

Just imagine! A plate with roast beef, peas, carrots, asparagus, and french fries, plus a cup of coffee and a portion of pie, all for only thirty-five cents.

Where can you get this? You can't get it anywhere. I said, "just imagine."

I'm not going to gild the lily or sling effusive encomiums, but someone has to put a plug in for the cafeteria. Our cafeteria, laboring under rising prices, is doing all it can to keep the cost of its culinary endeavors as low as possible, to satisfy the budget of all us poor but honest (?) students.

In an interview with Mrs. Smith, cafeteria manager, I was informed that the cafeteria must be self-supporting and that it is not subsidized. At the same time, it is a nonprofit organization. What you pay in the cafeteria goes only for cost of food and salaries of those who prepare and serve it.

Men's Intramural Court Tournament Concluded

Newark State Men's Intramural Basketball Tournament has been completed. Five competing teams were coached by last year's Varsity members, Jerry Brooks, Joe Hale, Al Beisler, Dick Hughes, and Harry Wheeler. The final tally was:

All-round player of the tourney in my opinion was freshman Jack Smith—watch this lad when Varsity season rolls in. Runners-up for laurels were soph John Sheehan and frosh Richard Tanis.

Meet Sam Fleischer, new basketball mentor and a graduate of our fair Alma Mater back in 1918. The coach has been teaching phiz ed and coaching successful teams in the Elizabeth school system for 28 years. Fleischer's quintet at Edison High in 1944-45 captured 16 straight regular season games and went as far as the semi-finals in State Group III Championship. The coach plans a speedy outfit at Newark State, with emphasis on the fast break. We wish him all the luck in the world...here's to a grand season.

Mrs. Dean Cetrulo is back with us to coach the women's fencing squad. I look for an undefeated women's varsity...the members are all back minus one. I've got my eye on several good gals moving up from the J.V.'s. Mrs. Cetrulo's brother-in-law will coach men's fencing. Members of the men's fencing squad have years' experience tucked under their belt and should provide their opponents with some stiff competition. Let's hope for many victories.

Rahl Rah! Rahl Cheerleaders are practicing already for the year's court season...new uniforms...new cheers...now let's get some real old-fashioned spirit and follow their cheers with some pep.

New Cheerleaders Chosen

Three new cheerleaders have been selected for the College squad. They are Lillian Bodet, Mary Ann Andriola, and Eleanor Ernish, all freshmen. Tryouts were held during the latter half of October.

A pep rally is being planned to open the basketball season. There the cheerleaders will have a chance to display their new uniforms. In addition to new members, Audrey Powers, Helen Mulvey, and Ruth Bach are on the cheerleading squad.
