Editorial

If we were going to be prosaic we could say “Another year has come and gone... students will soon scatter far and wide leaving Newark State behind for the two summer months,” and then proceed to go back and give a summary of the year’s activities. However, let’s be a little bit different this year. Instead of looking back for inspiration, let’s peer into the future and get a kaleidoscopic view of what next year could hold.

1—Student Morale... Newark Staters, ’50 Variety are vivacious; school conscious; boosters for school sports; participants in extracurricular activities; proud of their school and what it stands for: Its traditions, its students, its faculty, itself. They know the college Alma Mater and songs and enjoy singing them. In other words they have spirit... and plenty of it.

2—Social Spirit... This year, imagine, the Tudor Room is neat and clean; the cafeteria is minus the bridge games and there is room to eat; the library is quiet and you can study there. There is complete harmony between classes. A truce has been declared and there is cooperation between groups instead of disharmony. Instead of standing around and yelling about the awful condition of things, this year we are getting things done. And Guess What?!! Last Friday we ran an All School Dance... and we had 100% attendance!

3—Class Work... Our biggest headline... LESS GRIPING... MORE WORK!! Students are “wising up” at last and realizing that just “getting through” with the least possible amount of work is pointless. We are beginning to think that since we are paying for an education, it might be a good idea to get one. It is amazing what a bit of study and a change of attitude can do for marks.

SOUND LIKE A DREAM? IT COULD COME TRUE!

I should like to take this space to really thank all of the staff members, my Editorial Board, the contributors and the students for the really grand support they have given me this year. So I’ll say it... Thanks very much, its been wonderful working with you.

Very sincerely,

Mimi Shapiro,
Acting Editor.
Kaplowitz-Huff Elected S.O. Officers

Student Organization elections, under the new voting procedure, resulted in the election of Abe Kaplowitz as President of the S.O. and Zelda Huff as Vice-President.

The student body was ever aware of the impending political battle as campaign signs, banners, feathers, balloons, "sacks," songs and booster speeches blossomed in the halls, auditorium, cafeteria and Tudor Room.

The primary election returns were very close with Abe Kaplowitz and Julius Provine leading the Presidential race, and Zelda Huff and Natalie Molin competing for the Vice-Presidential seat.

The result of the finals put Kaplowitz and Huff in office as the new S.O. officers.

The election was handled by the procedures outlined in the new by-laws. A nominating convention was held after nominations from all sections were compiled. The primary elections was held on Friday, May 13 and the final balloting on Monday, May 16.

S.O. Officers Active In School Life

Abe Kaplowitz, class of '50 takes over the reins of the Student Organization and Student Council next fall. He is a member of the General Elementary Curriculum, majoring in the teaching of the handicapped.

"Kap" is very active in all student affairs. He is on the varsity basketball team, sings with the mixed chorus, is a member of Sigma Theta Chi Fraternity and is active in the riding club. He has served as section leader and is Assistant Treasurer of the Athletic Committee.

On the personal side, Abe is "going steady" with Marilyn O'Desky. (Too bad, girls!) His hobbies are wood carving and reading. He is the leader of a boys athletic club.

The aims outlined in Abe's platform are:
1—to increase school spirit.
2—to publicize Newark State's standing as a professional school.
3—to increase interscholastic relationship.

Zelda Huff, next year's S.O. Vice-President is a graduate of Battin High School, Elizabeth. "Zel" was Alternate Section Leader in her freshman year, Secretary of the freshman class, member of the House Committee, Soph Section Leader and Secretary of Norms Theater Guild. She received the honorary mention award from Norms for her outstanding service. She was one of the student delegates to the Eastern States Conference and was chosen to serve on the Board of Control of that organization for the next year.

Aside from these activities, Zelda is engaged to Phillip Lowy. She loves "a good game of ping pong with someone who doesn't slam the ball; food in general and Phil." Zel is a member of Pi Eta Sigma Sorority.

Her aims are:
1—to promote more cooperation between the students and faculty in all activities.
2—to help and work conscientiously with the President of the Student Council.
3—to "fight" for the things that the students want in order to make Newark a better school.
4—to try to live up to all expectations.

Soph Election Held

Surrounded by innumerable publicity posters, elections were going on in full swing on that all important day, Monday, May 23. The polls were closed at the end of the fifth period and after the ballots were counted the results were:
President: Robert Dello Russo
Vice-President: August Beisler
Secretary: Rita Schaeffer
Treasurer: Josephine Valentino

Congratulations and best wishes for a successful term of office.

Frosh Hold Elections

Elections were uppermost on the minds of the freshmen, when, on May 23, the Class of 1952 held its final election and the results were as follows:
Margaret Moriarty President
George Anderson Vice-President
Bernice Jones Secretary
Arlene Phelan Treasurer

Congratulations and the best of luck to the new officers!

Exams

Final semester examinations will be held Wednesday, June 8 through Tuesday, June 14. Three examinations, each consisting of a double period, will be the maximum number given daily. Exams will begin at 9:00 A.M. and continue on until 3:30 P.M. with the fifth hour, 12:50-1:40, free for lunch. Senior exams will terminate on Friday, June 10.

Editor's note: The results of the Junior class elections were not yet known as the Reflector went to press.

WILL THE PERSON WHO BORROWED THE DICTIONARY FROM THE REFLECTOR OFFICE RETURN IT? OUR TYPEWRITERS CANNOT SPEL!
Student Council Report

CLOSING SESSION LIVELY AND SUCCESSFUL...

The final session of the Student Council—the busiest of the year—decided upon many of the questions that will set the new policies at Newark State. These decisions include:

HAZING...

A committee of upperclassmen will be chosen to set up a program of hazing for all Freshmen to follow. It will provide penalties (like public ridicule) for those who balk at following the rules set up.

BROTHER AND SISTER POLICY...

Uppercrassmen will give supplementary counseling to Freshmen under a new program next year. Each incoming Freshman will be assigned a Senior or Junior who will serve as “brother” or “sister” to help guide him if and when he needs it.

ATHLETIC COMMITTEE INVESTIGATION...

Sparked by Mr. D’Angola and other interests, an investigation of athletic appropriations and per capita athletic fees of nearby colleges will be made. This investigation aims to determine the advisability of an increased A.A. fee through a comparison of athletic expenditures of Newark State and other colleges.

HONORARY EXECUTIVE BOARD MEMBER CHOSEN...

Nick Marini, Vice President of the Student Council, was chosen honorary member of next year’s Executive Board. He will assist Abe Kaplowitz and Zelda Huff as they assume their roles of President and Vice-President of the Student Organization.

NEW DUTY FOR VICE-PRESIDENT...

Beginning this fall, the Vice-President of the Student Organization will automatically become the chairman of the Advisory Committee that will direct activities such as Freshman Hazing and the Brother and Sister Policy.

FLASHBACK...

As we look back upon this past year, we see it as a successful one for our student government. It was successful because we and our representatives voiced our opinions, argued, and enlivened the meetings with active participation. It was successful because we passed a new set of By-Laws...laws that provide a new, realistic and practical election procedure. We saw a Brother and Sister Policy initiated, and many new plans to look forward to.

Credit is due to many people for this increased interest and activity. First to YOU, the students, and then to Al Kochka, Nick Marini, Joan Wolfe and Anita Osman, who gave so much of their time and energy to the leadership of our Student Government. Congratulations and many thanks are due to them for their inspired leadership.

Letters to the Editor

This is a reprint of a letter received by Dr. Whiteman from the World Students Relief Fund, announcing the distribution of the CARE packages sent overseas with the money contributed by the college.

Dr. H. E. Whiteman,

Newark State Teachers College
Newark, N. J.

Dear Dr. Whiteman,

The W.S.R. Warsaw office is now closed, but I write to tell you the 36 CARE food parcels arrived before I left and were distributed as follows:

13 to needy individual students
13 to Academic Health Center at Lublin
10 to Polish Red Cross Academic Center at Torun

The recipients have been informed that the parcels are from your college, and I am sure that they will write you direct in due course. The organizations concerned have been requested to distribute these parcels amongst tubercular or especially needy students.

With many thanks for this gift,
Sincerely yours,

Philip Zealey

To the Editor:

... We were quite happy as to your comments on our organizations. The Administration reacted quite well and since your information was acquired several other colleges in the N. Y. area have requested information as to our system.

... May we thank you for the kind write-up as it was sincere and we are making much progress.

In the event any more information is required, we would be glad to help you on any matters. Incidentally our editors were quite pleased with your issue of the Reflector.

Very truly yours,

Michael J. Crisci, Jr.
President, Student Council
Upsala College, East Orange, N. J.
Recognition Awards Presented At Last Assembly

Recognition day comes but once a year and when it does it brings awards and honor for those students who have been outstanding in school service and sports for the year.

Sports, of course tops the list of awards with Basketball well and away in the lead. Ladies before gentlemen so here goes.

The first award of the Set Shot Contest, a silver basketball went to Patricia Young, a bronze basketball was awarded to Ethel Linehan as second award. Runner up was Elaine Marshall.

Emblems were awarded to Basketball Officers: President Charlotte Koehler, Vice-President Patricia Burget, and Secretary-Treasurer Maxine Berman. Emblems were also awarded to Captains Elayne Stein, Margaret Burrows, Elin Venezian and Natalie Molin.

From the classes: Seniors Barbara Holck, and Patricia Young; Juniors Rosemay Haug and Joan McPhillips; Sophomore Elaine Marshall and Freshmen Vicki Hester, Janet Hewitson, Janet Deinzer, Ethel Linehan, Joan Callanan and June.

Recognition Awards Presented At Last Assembly

Sports, of course tops the list of awards with Basketball well and away in the lead. Ladies before gentlemen so here goes.

The first award of the Set Shot Contest, a silver basketball went to Patricia Young, a bronze basketball was awarded to Ethel Linehan as second award. Runner up was Elaine Marshall.

Emblems were awarded to Basketball Officers: President Charlotte Koehler, Vice-President Patricia Burget, and Secretary-Treasurer Maxine Berman. Emblems were also awarded to Captains Elayne Stein, Margaret Burrows, Elin Venezian and Natalie Molin.

From the classes: Seniors Barbara Holck, and Patricia Young; Juniors Rosemay Haug and Joan McPhillips; Sophomore Elaine Marshall and Freshmen Vicki Hester, Janet Hewitson, Janet Deinzer, Ethel Linehan, Joan Callanan and Golda Mess were awarded their Basketball emblems.

Turning to the masculine side of the picture, Varsity Emblems were presented to Joseph Hale, Albert Kochka, Abe Kaplowitz, Daniel Den Blyker, Alan Cohen, Ernest Hobbie, Fred Geisler, Jack Smith, Frank Marno, Seymour Shapiro, Frank Vogt and Abe Sherman, manager.

The Bob McKenna Trophy which was donated by Robert Salkin is a perpetual trophy. That is, it is competed for every year and the winner's name is engraved on the trophy. This year the winner of the award is Seymour (Babe) Shapiro.

The Reflector brings you a scoop on something new—Added to the honor of his name on the trophy—Mr. Salkin is giving a gold basketball to the winner of the prize. This is the first year this offer is made.

Cheerleaders Emblems will be awarded to Audrey Pouters, (for her three years service Audrey will receive the Senior Emblem), Mary Ann Andriola, Ruth DeForrest, Barbara Katz, Lillian Bodet, and Eleanor Ernish. These girls really did a magnificent job in keeping up team spirit and morale.

Special recognition should be given to the Athletic Association. B. Battaglia, President; William Schaeffer, Vice-President; Ruth DeForrest, Secretary; Jack Smith, Treasurer; Pat Young, Charlotte Koehler, Roxanne DeWar and Abe Kaplowitz.

The winners of the Table Tennis and Deck Tennis Tournaments were also cited.

Out of the Physical Education Department, the Ralph Sozio Award went to Mary Yoerger for scholarship and service. A $100 scholarship, awarded by the Newark Teachers Association went to Elizabeth Quinlan.

Reflector Editorial Keys were presented to the graduating members of the Editorial Board. They are Ina F. Warner, Milton Knobler and Hermia Goldfinger. A special key was awarded to Mr. Downes, the paper's adviser.

Both the Editorial Boards of the Memorabilia and the Reflector were commended for their excellent work this year.

House Committee Finishes Job

The House Committee has been a very active one this year and we think that they deserve a big round of applause from all of us for seeing to our comfort and convenience. They have supplied ink holders and ink for student use; they have kept the bulletin board clean and neat and put up a holder for cards (and kept it full of 3x5's and 5x8's for notices); they obtained a water cooler on the second floor.

It is this committee that we have to thank for keeping the plants watered in the Tudor Room, arranging the programs for obtaining records, making the regulations and posting them, obtaining a new piano, keeping the radio in repair and promoting and paying for the redecoration of the mantle and fireplace. They are the ones who keep the bulletin board clean, put up those caution signs about smoking, cooperated with the social committee at the Christmas Luncheon, and made announcements in Assembly to uphold the rules of the Cafeteria, Tudor Room and School in general.

Congratulations on a job well done!

Reflector Awards Editorial Keys

For the first time in its history, The Reflector is awarding Editorial Keys to the graduating members of the staff who have served one or more terms on the Editorial Board. This year those awards will go to Ina F. Warner, for two years service on the Board as Assistant and Associate Editor; Milton Knobler, for his service as Art Editor; and Hermia Goldfinger, as Assistant Art Editor. G. Calvin Hoyt, who transferred to another school mid-semester, was awarded a key before he left in recognition of his two years on the board. Honorary award of The Reflector key goes to Mr. James Downes, our adviser, for his loyalty and service.
Dr. Hutchinson, President of Lafayette College, to Speak at Commencement

The Commencement Service will be held on Thursday afternoon, June 16, at four o’clock. The program will open with the Processional by the Senior Class. Reverend Canon Richard Aselford of St. James Episcopal Church of Newark will deliver the invocation which will be followed by some choral selections by the College Choir.

Dr. Ralph Cooper Hutchinson, President of Lafayette College, will deliver an address entitled “Principles and the Prophet.” The class will be presented by Dr. John B. Dougall to Dr. John H. Bosshart, State Commissioner of Education for the Conferring of Degrees.

The Alma Mater will be sung and the Recessional by the graduates will end the Commencement Service.

“College Days” Theme Of Senior Supper

Roseanne Conroy and Elayne Stein, co-chairmen of the Senior Supper, announce that the committee has almost completed the plans for the “best Senior Supper of them all.” The date has been set for June 14, Tuesday evening; the theme will be “College Days.” The merrymaking will be helped along by the reading of the Class Will, the Class Prophesy and the singing of some original songs.

Senior Prom Held at Four Towers

The Senior Prom was the biggest social success of senior year. It was held at the Four Towers, Friday, May 20.

The music by the Four Towers orchestra was wonderful and several amusing contests helped to liven the atmosphere. These included an ice cream eating contest, a hobby horse-race, and a balloon breaking contest. The winner of the balloon contest was none other than our own senior, Fred Tourelle. (Good for you!)

One o’clock arrived too soon and it was all over. Faculty and students started for home with feelings that a good time was had by all!

World Federalist Speaks

During the fifth hour on Wednesday, May 25, about 45 students attended a special meeting to hear Mr. John Kemeny, a student at Princeton and a former assistant to Professor Albert Einstein speak on “World Federalism and the Atom Bomb.”

In the limited time he had to speak, Mr. Kemeny pointed out the two possible paths that the world has in the future. He showed the possible results of an atomic war, and also what he believed to be the only possible road to peace, World Federalism. He urged the students to study both the pro's and con's of World Federalism and then to make up their own minds about the advisability of joining this movement.

A question and answer period followed.

Baccalaureate Service Slated for June 12

On Sunday afternoon, June 12, at four o’clock, the Baccalaureate Service will be held in the auditorium of the college. The family and the friends of the graduates will be present.

The Processional by the class of 1949 will begin the service. Reverend Raymond I. Lindquist, from the First Church of Orange and a former speaker at college programs, will give the invocation and will also deliver the sermon later in the program.

Included in the service will be the singing of a hymn by the assemblage, Scripture Reading by Dr. Dougall, and the Lord's Prayer and Response.

Adding more beauty to the service will be a solo by Eleanor Krueger singing “The Prayer Perfect” by Oley Speaks. Following the Benediction and the Choral Response, the Baccalaureate service will close with the Processional by the seniors.

Memorabilia, 1949

The 1949 Memorabilia came out on May 18. The yearbooks were distributed after the traditional “Memorabilia Assembly” held during the 7th hour. The highlight of the assembly was the dedication of the yearbook to Dr. Martha Downs. The students voiced their approval and pleasure by long and loud applause. An orchid was presented to her by Roseanne Conroy, the Editor-in-Chief of Memorabilia. After the excitement died down, Dr. Downs spoke a few words of thanks.

The yearbook was presented to Joseph Hale, President of the Senior Class who accepted the book on behalf of the class. Dr. Wilkens accepted the college copy in Dr. Dougall's absence. After the assembly the students adjourned to the gym to receive their copies.

The story of Memorabilia does not start or end here. Much time and work was put into the yearbook, as can be seen by the finished product.

The staff consists of students from all four grades plus three faculty advisers. Dr. Gilligan served as business adviser, Miss Baker as art adviser and Miss Rafferty as literary adviser.

The theme for this year's book was the advantages of a commuter's college. The news that the dedication was to be made to Dr. Downs was kept a closely guarded secret until the assembly program.

For ten years Memorabilia has won first place in the Columbia Scholastic and National Press Association Contest. To keep up the excellent reputation of our yearbook, the following editorial board has been elected: Margaret May, Editor; Zara Cohan, Associate Editor; Julius Provine, Art Editor; Vivian Victor, Assistant Art Editor; Jack Everman, Business Manager and Aileen Menton, Assistant Business Manager.

Federalist Speaker (Continued)
Social-Lites

The engagement of Richard Johnson on April 21 was responsible for the shortened view of Student Council News in last month's Reflector. It seemed that Dick was walking around in a rosy cloud and forgot our deadline. The lucky girl is Doretta Bishop, an Alumnus of Newark State and a teacher in Berkeley Terrace School, Irvington. Dick is a staff member of the Reflector and was recently elected Feature Editor for the coming year. He is a member of Student Council, Mixed Chorus and was the Sophomore Basketball Manager.

Barbara Chestnut, Sophomore K.P. has announced her engagement to Ivan E. Burtis of East Orange. Barbara is from Cedar Grove. Ivan served 3 years with the Air Corps and is now employed by the East Orange Board of Education.

On May 23, a shower was given by Kitty Chiffriller, at her home, in honor of the coming marriage of Mary Gearty. Guests included sixteen girls from Newark State, friends, and relatives. Mary plans to be married August 20.

Nu Lambda Kappa Presents:

The members of Nu Lambda Kappa successfully edited another publication of creative writing. Each year this organization presents a collection which will be both esthetically and visually appealing. The contributors this year were: C. F. Brasch, Doree Denburg, Ernestine DeRogatis, Ted Dilworth, Jane M. Doney, Harry Gommoll, A. Kochka, Miola Laflin, Lynn Lerman, Edith Margoczy, Nick Marini, Clifford Werner.

Classroom Capers

Here is a new twist to an old maxim. Remember "an apple for the teacher?" It has been changed here in school to "Jelly Beans for the class." The situation arose in one of Mr. Downs' freshman history classes. At the start of the period, Joan Smith spied a shiny nickel at the foot of the teacher's desk. Naturally, being an honest girl and knowing that Mr. Downs had seen her pick the coin up, she surrendered it to him. However, there arose a dispute about the disposal of the money. It was then that Mr. Downs proved equal to the occasion. He sent Joan out for a nickel's worth of jelly beans. This reporter has been unable to discover just how the spoils were divided among the class.

Art Conference Reactions

Beginning with ameic shapes in the main corridor which signify the child's personal and social development in which he goes from his close self "me" to his environment "us," and continuing through the first, second, and third floor exhibits of the current art educational products, it was very evident that the fine attendance and the favorable reactions toward these exhibits on the part of students, administrators, and teachers of all curricula, both in and outside of our college were due to the well planned, well integrated, and well presented material.

The second floor exhibit is a fine example of the representative work gathered by the strong Fine Arts Alumni. The exhibit in the main corridor was organized by the undergraduates with the intention of having the material serve as the nucleus of the educational exhibit to be presented in November at the New Jersey Education Association Conference in Atlantic City.

The Fine Arts Department wishes to express their gratitude for the cooperation, understanding, and tolerance on the part of faculty and students during the actual setting up of the project. Many an evil eye was cast upon the fine arts as they wearily and noisily ascended to the third floor art rooms in a diagonal process from the sub-basement, to the clay shop, to the office, to the conference room, to the auditorium, to the second floor storeroom, to the third floor stock room, heavily laden with supplies, only to have to descend again for an innumerable amount of times. Of course all this inconvenience could be avoided with the proper classroom planning. But don't rush! Beneficial changes eventually arrive during the process of evolution.

Dance Study Elects Officers

The Dance Study Club has elected its officers for the year 1949-1950. They are President, Edith Margoczy; Vice President, Josephine Ingandela; and Secretary-Treasurer, Cecilia Artym. The club is disbanding on May 20 for the season.
The musical functions of our college are drawing to a close for this year culminating in the senior and mixed chorus offerings at graduation. The chorus, under the direction of Mr. Gerrish, is now rehearsing diligently two of the numbers, The Silver Swan and The Turtle Dove. From the way rehearsals are going we might be giving Fred Waring competition!

Looking back, we remember the beautiful caroling at Christmas, the fine musical program of ensemble work, and the respective works of the glee club, mixed chorus, and the orchestra.

Here's a reminder that good musical features will be offered all summer, such as the Tanglewood musical festival and the countless numbers of concerts on the mall.

**Norms Present "John Loves Mary"**

Thursday evening, May 26, the Norms Theatre Guild presented its annual three act play. This year the play was "John Loves Mary," a comedy based on "The Eternal Triangle" theme. A capacity audience filled the college auditorium as the cast did a wonderful job in bringing the play to life.

The cast included: John, David Howe; Mary, Jean Powers; Oscar, George Anderson; Fred Taylor, Al Kochka; Senator James McKinley, Walter Ulshofer; Mrs. McKinley, Betty Neary; Lt. Victor O'Leary, Richard Perello; Georgia Beechwood, Ruth DeForrest; Lily, Zelda Huff; and Harwood Biddle, Leonard Horowitz. The play was directed by Donald Kahrmann and co-directed by Lucille Stein. Production manager was Beatrice Card. Leonard Horowitz was in charge of scenery.

Special credit goes to the backstage crews, the make-up committee, the scenery committee, the lighting committee and to all the others who worked so hard on the play. And credit also goes to Miss Lockwood for help on the scenery and Dr. Vaughn-Eames, the club adviser.

**Dr. Vaughn-Eames Receives Alumni Award**

Dr. Lenore Vaughn-Eames was the recipient of the New York University Alumni Meritorious Service Award on May 24 at the Annual Medallion Dinner of the Alumni Association at the Faculty Club in New York.

Dr. Vaughn-Eames, and Mrs. Rose Lohman Stein of N. Y. are the first women to achieve medallion awards in five years. Dr. Vaughn-Eames, of the class of 1924 is part of our English department faculty. She is Vice-President and director of the Alumni Federation, was President of the School of Education Alumni Association in 1946 and '47, has been chairman of the Education Alumni Day Committee several times, was organizer of the Education Commit-

Brother and Sister

The Inter-Sorority-Fraternity Council is planning to establish a loan fund to be utilized by all sorority and fraternity members. By making this fund available, the Inter-Sorority-Fraternity Council is endeavoring to promote better cooperation among the organizations.

**Omega Phi . . .**

Omega Phi elections for the next year were held at a recent meeting at the home of Jean Goldman. Officers are: Chancellor, Anita Osman; Vice Chancellor, Lucille Jelenik; Recording Secretary, Rita Schaeffer; Corresponding Secretary, Roberta Rothwacks; Treasurer, Rose Klein. Omega plans a picnic for some time in the early part of June.

**PI ETA SIGMA . . .**

The elections of Pi Eta Sigma Sorority resulted in the election of Chancellor: Lucille Stein; Vice Chancellor, Zelda Huff; Recording Secretary, Joan Krosky; Corresponding Secretary, Shirley Berger; Treasurer, Marilyn Wilderman; Social Secretary, Adele Chaskas; Alumni Vice Chancellor, Sylvia Schonbrunn, '47.

The sorority recently had a weinie roast supper in the Tudor Room. A Boat Ride is planned for June and a Pajama Party is to be held at the summer home of Lee Schechman on June 20.

**SIGMA THETA CHI AND NU SIGMA PHI . . .**

Sigma Theta Chi and Nu Sigma Phi held their second annual picnic and softball game on May 22 at the Ling Farm in upper New York State. The good food and fine time left both fraternities anxiously awaiting next year's outing. At present, however, they are scouting around for good ball players as the prospective pledgees for membership next year. Start practicing fellas!

**World Friendship Speaker Here**

Mrs. Gerda Schairer, Secretary of the World Friendship among Children, addressed the students of the college in the auditorium on Tuesday, May 23, at 11:00. This program was in connection with the drive for packages and gifts for the children that was held here in school last year. The gifts were distributed in Europe to the children in time for their Christmas and Channukah services.

Mrs. Schairer announced that 200,000 packages and gifts were collected in America last year and distributed to the European children. She extended the thanks and appreciation of the children of Denmark, Yugoslavia, Germany and the other countries where the packages were distributed.

The children and youth of America, Mrs. Schairer said, wish to establish a feeling of friendship and closeness with the children of other countries. In Europe, the children are showing their appreciation by making greeting cards to be mailed to America. These cards contain information about the sender and are mailed in the hope of beginning an overseas friendship and correspondence.

The Council for World Friendship Among Children is a non-sectarian organization. In connection with their policy of promoting friendship, the Council designated May 8 as World Friendship Day.

...
# Reflector Rating Sheet

STUDENTS!! HERE IS YOUR CHANCE TO TALK BACK TO THE REFLECTOR!!

Here is a Reflector Rating Sheet. In order to get a better picture of what the students want in their newspaper, we are asking every student to fill out this form and drop it in the Reflector Mailbox downstairs. It will help us put out a better and a more interesting paper next year. We need the cooperation of every student. WILL YOU HELP US BY FILLING THIS OUT AND PUTTING IT IN THE REFLECTOR MAILBOX??! THANK YOU!!

1—Did you like this year’s features?

Congratulations to the winners of the table tennis tournaments. In the men's doubles, Fred Tourelle and Walt Ulshoeffer placed first; Martin Kehoe and Ted Dilworth placed second; and Jerry and Jack Brooks third. . . . The men's singles championship was coped by Martin (the man) Kehoe. Ted Dilworth and Alan Cohen placed second and third respectively. . . . Men's and women's deck tennis tournaments are still to be completed. . . . A word of warning to all eligible bachelors. Our female archers are beginning to find the range at 60 feet. Look for a good representative team in the fall. . . . Also in the making is a formidable varsity baseball and bowling team. . . . School spirit is infiltrating the ranks. Our vote of thanks to Mr. and Mrs. D'Angola and the participating students for making this spirit possible. . . . The Newark State freshman baseball team defeated the Jersey City A.C. 12-3. . . . A plug for the fine work the A.A. has done to propagate sport activities. . . . Just a closing reminder for us all . . . to learn our Newark State Cheers for next year's victorious varsity teams.

G.E. Men Trounce I.A.'s

The General El men continued to show the I.A.'s that they meant strictly business by winning two slugfest contests to the tunes of 9-5 and 13-6. In the second game Ernie Hobbie pitched shut-out ball for the first four innings and received credit for the victory. Dan Shapiro and Bill Schaeffer garnered four hits apiece in five trips to the plate. The box score neglected to say that both games were marked by extreme enthusiasm.
