Letters to the Seniors
Farwell from Dr. Wilkins

To the Seniors:

When the time comes to say Good-bye, the sadness that often accompanies farewells is tempered by the pleasure and pride we feel in wishing you Godspeed to your positions as teachers in the schools of New Jersey.

In the last minutes before graduation there are so many things we wish we had known, so many things to know that were not utilized, so many chances of contact not made, that it is like trying to help someone who is about to start on a journey, see someone off on a journey, then, when there is a fellowship with all our being, to realize that we thought of nothing to say more than the obvious, the trite, the trite.

In farwell, may all the seniors feel the many things we have not said to express our concern for you and pride in your accomplishments. We wish for each of you success and happiness in the years ahead.

Sincerely yours,

Dr. O'Brien Speaks

ODDS AND ENDS

Pinnings

Bridget Zotte to Cadet Michael Alexander '56 of the U.S.M.A. at West Point. Congratulations!

Kings and Balls

As June comes busting out all over and apple blossoms begin to fall, some take steps closer to the final knot. Ruth Nelson '57 became engaged to Alton D. O'Brien, Dean of Instruction.

Carolyn Nash, Vice-President; Ginny Glaser and "Bob" Clabaugh, Treasurer.

 Clubs and Sororities

Ballot boxes have been put to quite a bit of use recently, as clubs and sororities held elections for their ensuing term. The new officers elected were:

Glee Club: Val-Jean Sytso, President; Lois Thompson, Vice-President; Kathy Faccio, Secretary, and Pat Koch, Treasurer.

Kae Thompson Soph President

To most Freshmen it seemed like only a short time ago that they were writing for the candidates running for Freshman Class offices. Now again, however, we are in the time to select the officers who will rule over us during their Sophomore year.

Miss Kae Thompson has been elected President of the Sophomore class of 1956 and she will function as such for the remainder of the year.

Mrs. Richardson

Dr. Whitman Reminiscences

Dear Seniors:

June 1956! How far in the future that seemed back in September when you were wearing your beany caps and sandwich boards, doing out chicken corn to those incomparable sophomores. That was when it was informals, one Junior Prom, four class shows, many examinations and several bashes ago.

In a sense September seems like yesterday; yet one need only look at your freshman pictures (yes, we still have them!) to know that a little more than half the life of your college is behind you now and as you look back it means different things to different ones of you. In the years to come you will remember a particular course, probably the first day of class, the work of some particular student, the excitement of the graduation, the thrill of "Song of America", and of course, those bridge games in the Tudor Room and that coffee at Scotty's. All have been part of your college education and all has contributed to your development as a person. You have been carrying into your classrooms the friendly spirit that is a tradition of our college, and exemplifying the motto, "Who Dares to Teach Must Never Cease to Learn". I hope you will never cease learning and especially for the sake of the children you teach, but just as surely for your own sakes. There is so much to learn about in this world and a college education is only the beginning.

In our letter to the Seniors I suppose one should end on a strain of "Farewell and Farewell" but I shall not. You will always be members of our college family, and we shall expect to see you back for the Homecoming next year whenever you can. So no farewells - but we must meet again tomorrow and good wishes to each one of you.

Harriet E. Whitman

Alumni Association Card Party Provides Fun, Food, and Prizes

Even the Inexes came out ahead of the game at the card party held by the Alumni Association. Admission to the affair was only $1.00 and most of the card games were provide by card dealers or local establishments.

The card party was organized by Ernest C. Shawcross as president to improve the financial status of the A.A. hope will be as much a social success and even a greater financial success than that it might become an even more active influence and aid to the college.

...And All Since March 17.

Mr. Shawcross who graduated from N.S.T.C. in 1918 and now teaches at Pingry School this year was installed on St. Patrick's day and since then the luck of the Irish has been with him. It took a little more than luck, however, for behind the success of the affair lay the hard work and cooperation of many people: Miss Elizabeth Smith, class of '46 was chairman of the party and working with her was Miss Kay Heintz, who was also chairman and Miss Kay Heintz, who was also chairman, was chairman of Section 7. A graduate of Battin High School, Miss Heintz is from Elizabeth and a graduate of Battin High School in 1955. This "talkative" frosh, who can remember the two boys who added the sound of the chorus and danced by their friend Nailor and Tracer of Norms. Geraldine, known to all her friends as "Gerry", was happy to maintain a secretariat for the second time.
Mr. and Mrs. D'Angola Banquet Huge Success
Climax of College Year

A banquet in honor of Mr. and Mrs. Joseph D'Angola on their retirement after a combined total of 76 years was held on May 24, 1956 and was sponsored by the Athletic Association. It was a complete surprise for them.

There was a photographer and a reporter from the Newark Evening News on hand for the occasion, and a picture and article were published in that newspaper about the couple.

One tribute paid to Mr. and Mrs. "Dad" (as they have been commonly known in familiar territory) was the presentation of a clock mounted in an engraved plaque to them from all the girls of the college which was also inscribed.

The Girls' basketball team gave the D'Anzolas a lovely silver tray.

Miss Elsie Schneider, coach of the girls' basketball team received a desk set as a token of thanks from the team. Mr. Zweidinger received a pipe and tobacco and Mr. August Jannarone coach of the baseball and basketball teams was presented with a plaque.

The senior boys who participated in Varsity sports for the past four years were awarded trophies for their perseverance, good sportsmanship and ability. They are Marsh Butler, Ernie Frino, Bill La Russo, Dick Reinhardt, Jerry Ferrara and Jack Ciarelli. Marsh Butler and Bill La Russo were presented with the McKenna trophy for outstanding participation in sports.

Mr. and Mrs. Hill were also present at the Banquet. Florence Witko and Trina Di Martino were chairmen of the affair. Entertainment for the evening consisted of Mr. Milano, an accordionist and the "Mystics" who performed Memory Feats.

Who's on First?

I think at least this short paragraph should be devoted to the guy who was on first for the team for most of the season and who did a splendid job. He is the only other senior on the squad, Marshall Butler. After being out sick for the first few games of the season, Marshall moved back to first base just in time to be part of the double win over Panzer. In addition to his timely hitting from the time he returned to the lineup his fielding was superb.

On several occasions his long reach and improved footwork were responsible for nailing the back runner on the double play. Congratulations Marsh. We all wish you the best of luck in the future.
