**Brotherhood Theme Sets Purpose of Event**

"Brotherhood", the theme of the second annual All College Spring Carnival, sets forth the purpose of the affair.

Through the many activities of the day, it is expected that a substantial amount of money will be raised by the student organizations for the Relief Program.

At 3:00 p.m. on May 2 the Mayor of Newark, Leo P. Carlin, and President Eugene Wilkins will cut the ribbon in the sunken garden to begin the festivities. At this time the garden booths will be open to all students and friends of the college. The booths will be erected and manned by members of the clubs, sororities, fraternities, classes, committees, and faculty. The auction at 4:30 p.m. will be followed by supper hours from 5:00-7:00 p.m. in the cafeteria.

Masters of ceremonies at the evening program will be Glennys Grenda and Joe Simmons. Featured for the night will be excerpts from the class shows, an Accordion Band, a German Band, and the Newark State Hi-lows. King and Queen of the Carnival will be crowned at this time.

Sandy Birenbaum, chairman of the affair, will be assisted by Eileen Fenton, chairman of publicity; Elaine Goss, chairman of programs; Val Jemmes, chairman of refreshments; and Pat Garrett, chairman of the Big Top Show.

**Eleven Run in Competition For Royal Titles — May 2nd**

by Rose Marie Campesi

The spotlight on royalty shifts from the splendor of Monaco to bustling Broadway as Newark Staters consider the eleven candidates from whom they will choose the first democratically elected monarchs in history.

Six girls and five fellows were selected by a ballot open to the entire college and the two who will reign at the Spring Carnival will be chosen in the same manner.

The only senior girl in the running is Rosemary Buscemi, president of Norms Theater Guild. The vivacious brunette is the head of the Newman Club. Alice is a member of the Newman Club, President Eugene Wilkins is seated in the Student Council, is also in the contest.

Fran Natale and Adele Awon, the Hi-lows, and Barbara Mazauskus, the Newman Club, are in the contest.

**Plan Carefully For New Babies**

A new policy regarding the length of time pregnant women may stay in college has been determined by a college committee. The policy will follow along the same line of many of the public schools in New Jersey. It will be requested that expectant mothers withdraw from college activities after their fifth month of pregnancy. Applying to all, it will be instituted for the 1957-1958 college year.

Factors involved in determining the policy were the safety of the expectant mother who necessarily must climb many stairs and travel in crowded corridors, and the presentability of the student who must make visits to the public schools and also undertake student teaching in the field.

---

**Student Body Elects Grenda**

Josephine Rappa, outgoing president of the Student Council confidently hands the reigns of student government to newly elected president Glennys Grenda.

The student body elected Jerry Minkoff, current freshman class president, vice-president. Maxine Feinberg, who has the position of associate editor of Reflector, is secretary; Anita Hopwood, active member of the athletic associations, is the newly elected assistant treasurer, assuming the present office of Barbara Elner, who is the new treasurer.

CAFETERIA STAFF DEFENDS ITSELF AGAINST DISSENSION

by Marilyn Thompson '59

Unoubtedly one of the most important events of the season is the weekly meeting in the cafeteria. Much abused and little appreciated, the cafeteria staff does its best to prepare a variety of appetizing and nutritious foods, which meet the standards of the students and faculty. Demand for a refresher course seems to be a certain amount of dissatisfaction among both groups.

Another answer to some of the questions posed by the students, the REFLECTOR interviewed Mrs. Helen Smith, head manager of the cafeteria staff.

This cafeteria manager, Mrs. Smith, has been working at New State for nineteen years. She was kind. This place would surely be an appealing issue. Of primary importance is the reason for standard prices.

The reason is that no institution of higher education can afford to support the government surplus food, a benefit which elementary and high school students enjoy. However, the prices are no higher than necessary. The cafeteria is NOT out to make a profit!

The variety of food, naturally, is limited. Food such as meat cannot be kept from one day to another because the cafeteria has no refrigeration. The important thing is that all foods are fresh and home made.

Another issue is that it is impossible for the cafeteria to open before 11:15. The reason is that in order to open at that time it is necessary for the cooks to come in at 7:00 a.m. Realizing that, certain cafeteria patrons might be more considerate of the staff. It is not too great a hardship to wait five minutes, considering that the student body is given fifty minutes to eat.

It may prove advantageous for the reader to take a tally of the menu offered. Usually, there are two soups, meat, two vegetables, nine types of sandwiches, seven or eight types of salads, fruit puddings, and homemade pie or cake. This is a far cry from the menu at colleges, where the menu has no choices; you eat what you serve or you get nothing for your money. Here again, prices are certainly reasonable; salads are sold for thirty or fifty cents, as requested by faculty members.

The students who eat at one o'clock need not be disturbed if their favorite type of sandwich or salad is not on the tray. A course for one student and sixty members is all that is needed to get you your heart's desire, Mrs. Smith said that students should never hesitate to present their requests, as the staff is pleased to help.

Ready for opening

Cafeteria Staff

Since the cafeteria staff is so considerate of its patrons, certainly it would not be out of line for us to return a little of this courtesy.

WANTED -- SANCTUARY FOR STUDENT

by Pat Perretti '60

"College cord desires room for studying in N.S.T.C. Now through June. References. Write H-143, Reflector."

Gladly got that done; I had to do something. I hadn't realized the situation was so miserable the first part of the year, but at that time the juniors and seniors were out (I wasn't aware of the deadline for four-term students). But now -- whew! There is no sanctuary for the frenzied student.

I went to the library the other day. I looked in the reference room, but no vacant seats. The outer rooms were answered to roll, and settled back to enjoy our trip, the writers rocked and rolled with songs and talk as we continued on our way.

Campus Humor

ACP -- THE MONTANA EXQUISPTE

Montana State College, printed it:
"What is jewelry?", said the sorority pledge, "It is millionaires, "Gosh," gasped an impressed sister, "What is Woolworths!" "Woolworth," the pledge replied.

odds and ends

Spring is such a beautiful time of year. The magnolia blossoms are out, the flowers in the Sunken Garden are blooming, it is so lovely.

pievinings

Marietta Middelstaedt '59 pinned to Ken Tridal, a student at Rutgers Pharmacy ... Leonia Yeasman '50 pinned to Bernice Heilvy of Upeola, class of '59.

Engagements

More and more diamonds are making their appearance at New State. Diamonds are really in style. Phyllis Schonberg '59 is engaged to Sheldon Zitter, now in the Army and stationed in Fort S... Carol Donahue has accepted the ring of Ned Crowell, a future doctor ... Allan Sternfeld has given his ring to Sandra Ann Wiener, a student nurse at Beth Israel Hospital ... Rona Silverman '59 is engaged to John Morello ... Helen Taylor '59 is engaged to Roger A. Neff, alumnus of N.Y.U. ... Barbara Luta '60 engaged to Richard Kust '58 of Stevens. Lots of luck to all of you.

Marriages

Muriel Kunz became the bride of Robert Miller on April 11 ... Rosalyn Barshichi changed her name to Mrs. Phillip Elsier. Philip attended Rutgers.

Jottings

Congratulations to the new student organization officers. Glenny Cerny has been elected President, Jerry Minskeff is Vice-President, Maxine Feinberg is Secretary, and Anita Hood in the Assistant Treasurer. Students, don't forget the Spring Carnival which is to be held early in May ... The Athletic Association will hold its annual banquet in May also ... The Hi-Lo's again enjoyed the privilege of entertaining the Hungarian refugees at Camp Kilmer on April 11.

**Pastel Landscape, Relaxation**

**Highlight Vacation in Bermuda**

by Glennys

Paradise? We didn't have any doubts! Skies of aqua, sands of pink-beige and homes nestled on green rises in pastel hues of pink, orange, navy, green and white. Exhilarating as it all was.

We landed in a rain storm, but as is customary here, it didn't last long. Sun and visitors soon are out again.

The most pleasing highlight of Bermuda is its leisure pace. Traffic is slowed to a 30 m.p.h. limit. No exhaust fumes choke the visitor; transportation consists of small foreign cars and buses, horse drawn carriages and wagons, and bicycles and motorized bikes of every description.

People have time to be pleasant and thoughtful to one another. This along with breathtaking scenery, unforgettable calypso, all add up to an island that tugs at your memory and calls you back.

In the early games of the season, the baseball team has had an increased following since last year's season. It helps the team to know that they have fans behind them. With a lot of home games coming and the field almost in walking distance from the college, the team would appreciate seeing their friends behind them. Let us see an even larger attendance from now on.

**Future Predictions**

Our prediction for the Newark Rutgers proved to be true, as Newark State took both of them. We, predict that Newark will take the Montclair game even though it will be close and tough riding. Last year the Montclair game was a one-run affair in which the Scarlet Knights won by a score of 1-0.

The First National Arggies was rained out and the team has not met the standards that they set along with the impressive performance Newark has given so far this year.

**Class Spirit**

Congratulations are in order for the fine attendance the freshman class contributed to the basketball season. The sophomores were second with the juniors and seniors following in that order. Let's see this class contribute again come into the baseball season.

**Odd Bounces**

...The Women's Basketball team ended with a record of seven wins and four losses. Congratulations to the girls for their fine playing and for being social representatives of the college, that I had to be as close to the

**Bill Gibson**

Bill Gibson was last year's Assistant Manager and has been named as Head Manager this year. Bill is in his junior year so he'll be seen around for awhile, Gibson takes quite an interest in his position as Head Manager just as he does in all his other numerous extracurricular activities.

Bill says, 'I've always had an interest in sports and while not being able to participate, I felt that I had to be as close to the game as possible.'

**Fencing Team Holds Last Meeting**

**by Alice Skinner**

The fencing team held its last meeting of the season on Friday, March 12 in the gym. Miss Smith is the faculty adviser for the group.

**May 4-5 Set for Bowling Conference**

This year, as for the past six years, the Eastern Intercollegiate Bowling Conference will play host to the Eastern Intercollegiate Match Game Championship. This tournament is head to head competition and brings together the best bowlers in the eastern colleges.

The tournament attracted over 100 collegians from twenty teams and the league is out to more than double these numbers so that all the good bowlers from the league will have a chance to compete.

**Baseball USA**

First of a series of what to look for in baseball.

**by Frank Brockman**

The purpose of the hit-and-run play is to give the runner an extra base. It develops between runners and batter. The signal is from the basemen, and it can't be denied that the rest of the team is really tagging. That's the way it's done when the runner reaches second and the rest of the team will be the same as a sacrifice.

**The Fencing Team**
