## Our Mission

---

*Here at Kean University, we believe that every person has a right to adequate food obtained with dignity. In working to prevent hunger and malnutrition in our community, we provide food to those in need and promote social policies to achieve a hunger free community.*

---

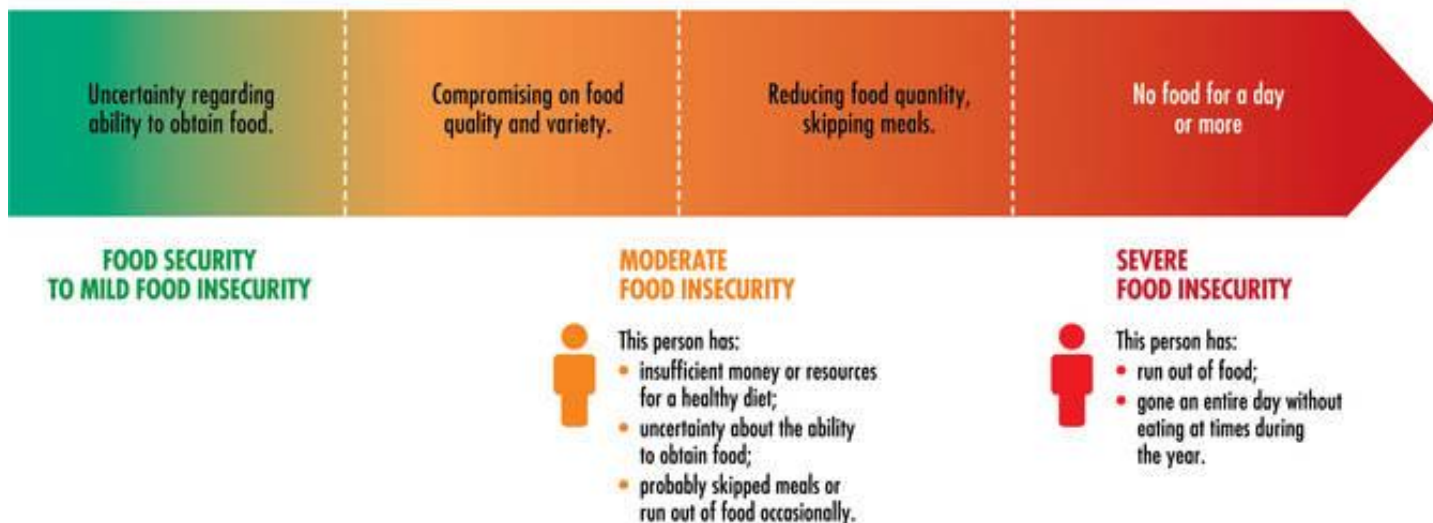

The Human Rights Institute created an initiative with Kean University's Cougar Pantry to assist in providing nourishment to the university campus community. Our **Hunger Task Force** currently staffs the pantry located in Room HRI-211 (Human Rights Institute) of the Nancy Thompson Learning Commons.
