Division of Student Success and Retention

Welcome to the Division of Student Success and Retention! We're dedicated to providing guidance and support to the Kean University student population as they embark on their journey toward degree completion.

Using a holistic approach, our division is proactive in reaching out to students in an attempt

to direct and assist them toward goal attainment. We work closely with all departments and divisions on campus to connect students to a network of resources that will promote academic and social success with the ultimate goal of a timely graduation.

It is our belief that retention is every faculty and staff member's responsibility.
