The Office of Institutional Effectiveness (IE) supports Kean University's mission, goals and institutional priorities through the implementation of evaluation and improvement initiatives that foster a more timely, measurable and systematic assessment process.

IE supports Kean University’s administrative units in fostering consistent outcomes assessment practices and continuous improvement through evidence-based decision-making. Through integrated planning for enhanced institutional effectiveness, IE makes assessment more efficient and more useful to the institution, while maintaining a focus on data integrity and supporting student success in alignment with strategic goals and accreditation requirements.
WE ARE HERE TO HELP!
Every 5 years, administrative units at Kean University participate in a program review process. Through the Program Review, administrative units are able to identify areas of strength and nits to identify areas of strength and address areas that need improvement.
Annual Report

Submitted on an annual basis, administrative units reflect on their unit's mission and vision and how, through programs, initiatives, and offerings, successfully bring these vision(s) to life. Additionally, the Annual Report is an opportunity to engage with the Strategic Plan and ensure that their work supports that of the larger institution.
