## Clubs and Organizations

### Abstract

With the support of faculty and staff, Kean students have actively formed diverse groups which consist of 44 cultural organizations. These 44 student lead cultural organizations have provided over 540 cultural events this past year, such as workshops, performances, and heritage recognitions. It should be noted that programmatic efforts were severely impacted due to the COVID-19 pandemic. Before the pandemic, the Asian Studies program had been offering more than 10 campus-wide events annually.
