Kean Scholar Academy

Return to Campus

A mask mandate is currently in place on campus. Learn more about the University's [health and safety protocols](#) to help protect the campus community from COVID-19 and reduce the spread of the virus.

Kean Scholar Academy

Kean University's innovative, new pre-college program provides mentoring and other resources to aid you along the path to college success.

Program Information

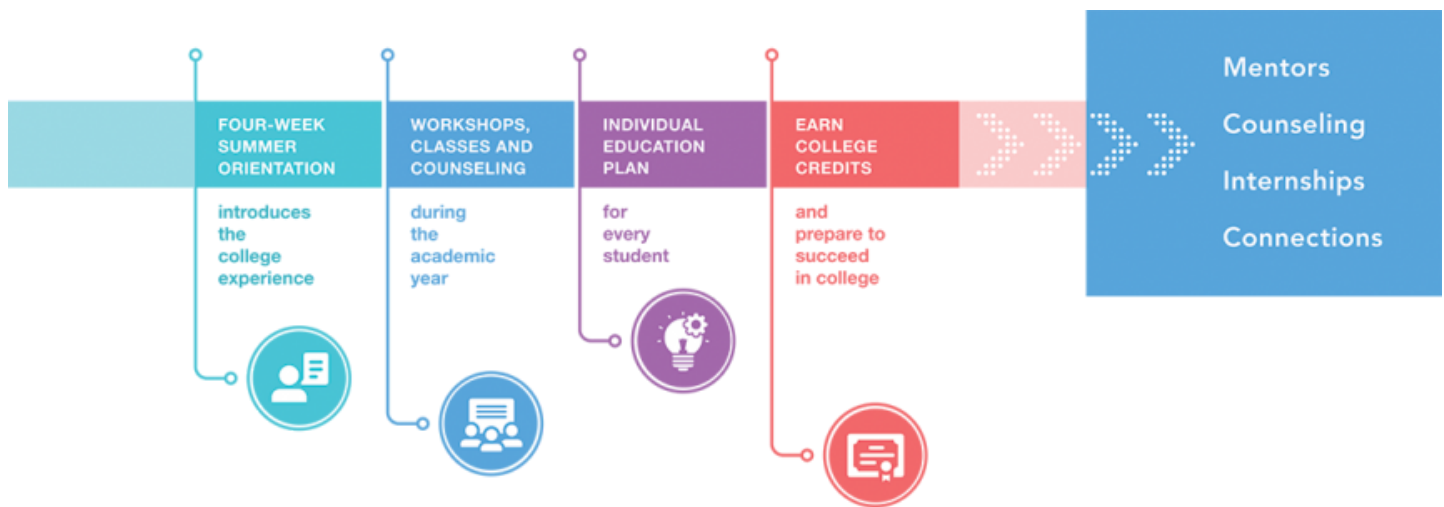

Kean Scholar Academy offers qualified high school students the opportunity to earn college credits and participate in pre-college mentorships, internships and other enrichment activities that support their academic journey toward college. The first cohort starts in

Summer 2021, when they will begin a four-week summer orientation on the University's Union and Skylands campuses to learn about the college experience and meet members of their cohort.

Throughout the academic year, Academy students engage in workshops, classes and counseling sessions on Kean's Union campus while attending their respective high schools.

Each student will receive an individualized education plan based on their chosen academic pathway and begin to enroll in classes at Kean as they progress in their high school career.

By the time they graduate high school, students may earn up to 12-15 college credits in their selected major and be well on their way to a successful college career.

Students in the Scholar Academy benefit from these program offerings:

- University mentors prepared to provide academic and career guidance
- Individual and group counseling to ensure all students follow the path to graduation
- Internships with industry partners and job placement assistance
- Travel to the University's campus in China, Wenzhou-Kean University, after graduating from high school
