Dear Sir,

I hope you will excuse me for intruding. As it is in your power to serve me, I would look on myself extremely obligated to you if you could procure me a Branch in the Pilotage of Siby; and the Pilotage of Port Royal Barr, as I can very well attend to them, without its being a Detriment to either; if in your power to serve me will always look on myself obligated to you.

Hope that you have arrived safe in New York safe before this, and your family well. — Remain your Friend,
